FINANCIAL HARDSHIP AND PAYMENT PLANS

At any time before your final payment, if you experience a change in financial circumstances, you may ask the court to consider your ability to pay. When considering your ability to pay, the court may modify your installment plan, allow you to complete community service (if available) instead of paying the total amount due, or suspend all or part of the fine. The court **is not** required to offer you any of the above options and the court may deny your request. You may schedule an appearance in court for an Arraignment without the deposit of bail.
