☐ The Court finds that this is a long term marriage as defined by Family Code section 4336. Therefore, the Court makes no order for spousal support at this time, but reserves the right to make such an order.

Each of us understands the right we are entitled to under Family Code Section 4336 and that its provisions need not be waived. However, because our independent resources for maintenance are sufficient, we agree that the provision for a reservation of spousal support is unnecessary. Each of us are fully knowledgeable as to the extent of this right. We are not subject to any duress, or pressure and by our initials hereto permanently waive our respective right to spousal support, now and at any time in the future.
