a. LEGAL CUSTODY RIGHT AND RESPONSIBILITIES:

- i. A parent shall not be denied access to records and information pertaining to a minor child pursuant to Family Code § 3025: *Notwithstanding any other provision of law, access to records and information pertaining to a minor child including, but not limited to, medical, dental, and school records, shall not be denied to a parent because that parent is not the child's custodial parent.*
- ii. Each parent will have access to and has the right and obligation to keep themselves advised of information concerning the well-being of the child, which shall include but not be limited to: report cards; State standardized test results; order forms for school pictures; significant communications from medical or mental health care providers; the names, addresses, and telephone numbers of all schools, health care providers, regular childcare providers, and counselors.
- iii. ☐ The parents shall have **Joint Legal Custody**, which means that both parents shall share in the right and responsibility to make decisions and must confer in making decisions on the following matters: *Enrollment in or leaving a particular private or public school; participation in extracurricular activities; beginning or ending of psychiatric, psychological, or other mental health counseling or therapy; and selection of a doctor, dentist, or other health professional (except in emergency situations).*
 - A. For cases with joint legal custody, if those rights and responsibilities require mutual consent, failure to obtain mutual consent prior to implementation may result in civil or criminal penalties and/or result in a change to the legal and physical custody of the child.
 - B. For cases with joint legal custody, in the event of disagreement, the parents shall maintain the child with the current health care provider, childcare provider, counselor and/or in their present school pending further order of the court.
 - C. ☐ _____ will be responsible for making decisions regarding the following issues:

- iv. ☐ _____ shall have **Sole Legal Custody**, which means that parent shall have the right and responsibility to make decisions in matters relating to the health, education, and welfare of the child and shall select all schools, health care providers, childcare providers, and counselors. A parent who does not have legal custody may nonetheless obtain emergency medical treatment for a child during that parent's visitation time, with notice to the other parent.

b. PHYSICAL CUSTODY RIGHTS:

- i. ☐ _____ shall have **Sole Physical Custody**, which means the child shall reside with and under the supervision of that parent subject to the following Court ordered parenting/visitation plan.
- ii. ☐ The parents shall have **Joint Physical Custody**, which means that each parent shall have significant periods of physical custody. Joint physical custody shall be shared by the parents in such a way as to assure the child has frequent and continuing contact with both parents, subject to the following Court ordered parenting plan.

c. PARENTING/VISITATION PLAN:

- i. Beginning with the signing of this Order, the parenting plan shall be as follows:

- A. ☐ See Attachment to Order.

The professional visitation provider shall fax periodic progress reports to the Court via Family Court Services at (559) 733-6973. The parties will sign any releases of information required to allow communication with the Court. The _____ shall be responsible for fee(s). Failure to enroll and comply may be taken into consideration by the Court in future custody and visitation matters in this case due to non-compliance with a court order. A Supervised Visitation Order (FL-341(A)) is attached to this Order and shall be provided to the professional supervised visitation provider. Each professional supervised visitation provider must file form FL-324(P) with the clerk of the Court and provide a copy to Family Court Services prior to the first visit taking place.

☐ Beginning with the signing of this order, the _____ shall have **Non-professional Supervised Visitation** with _____ acting as the supervised visitation provider. The _____ will have supervised visitation, with the dates and times as set forth at page _____ of this order. The supervised visitation provider must be available at all times during the visitation and the child is not to be left unattended by the supervised visitation provider for any reason during that visitation. The supervised visitation provider shall comply with Rules of Court Standards 5.20 (d) for Non-professional Supervised Visitation Providers. Failure to comply by any party including the supervised visitation provider may be taken into consideration by the Court in future custody and visitation matters in this case due to non-compliance with this Order. A Supervised Visitation Order (FL-341(A)) is attached to this Order. *Each non-professional supervised visitation provider and the parents must complete the mandatory training located at http://www2.courtinfo.ca.gov/accesstovisitation/story_html5.html prior to the first visit taking place. ii. HOLIDAYS AND SPECIAL OCCASIONS:

If holiday time for each parent is included in this Order, holiday time shall take precedence over the scheduled parenting time and shall not break the continuity of the parenting plan.

iii. TRAVEL OUTSIDE OF THE STATE OF CALIFORNIA:

- A. ☐ Neither parent shall travel outside the State of California or out of the United States without the written permission of the other parent or an order of the Court.
- B. Neither parent shall travel with the children out of the State of California without at least 30 days advance written notice of the dates of travel, itinerary, and mode of travel.
- C. ☐ The custodial parent shall not travel with the children out of the United States without providing at least 30 days written notice to the other parent. The parent having sole legal and sole physical custody of the child may travel out of the state of California with the children, but shall give at least 30 days advance written notice of the dates of travel, itinerary, and mode of travel.
- D. A parent objecting to travel with the child is expected to immediately file a request for an emergency or shortened time hearing on their objection. If the parent who is not traveling has possession of the child's passport, the parent traveling with the child shall be provided with the child's passport no later than 10 days prior to the travel departure date. The requirement of "written notice" is met if the parent gives notice via the mode of communication specified in Section 5(c)(v)(D), below.

iv. TRANSPORTATION AND EXCHANGES:

- A. Transportation for exchanges shall be as follows:
- ☐ Responsibility for providing the transportation for the child to and from exchanges shall be divided between the parents. In the event of a disagreement, the receiving party shall be responsible for arranging transportation. Exchange of the child shall occur at the child's school or each parent's respective residence if there is no school.
- ☐ Other: _____
- B. The child must be driven only by a licensed and insured driver and the vehicle must have legal child restraint devices.

- C. All exchanges shall be peaceful.
- D. During the exchange of the children, all parties should follow the Centers for Disease Control (CDC) guidelines for limiting the spread of COVID-19, or any other pandemic-related virus.
- E. ☐ The parent responsible to arrange transportation to and from the exchanges may utilize a third party to transport the child, if needed. If a third party is utilized, the third party shall be known to the parents and the child.
- F. It is expected that both parents shall make it a priority to arrive on time for all exchanges, and that they will not create delays at the exchanges. Unnecessary conflict at the exchanges, including the stress created when a parent is habitually late for exchanges, is detrimental to the children. Evidence that a parent is violating this order regarding exchanges may be considered by the court to be an indication that the parent violating the order is lacking in essential parenting skills, which may result in a reduction of time with the children for the violating parent.
- G. All court orders related to communication at section v. COMMUNICATION apply at all times, including during visitation exchanges.

v. COMMUNICATION:

- A. Neither parent will threaten, harass, intimidate, be sarcastic or use obscene or other abusive language towards the other parent, either in person or by electronic means including, but not limited to, telephone, text message, on-line or through social media.
- B. Each parent shall provide the other parent with a message telephone number where they can be contacted in case of emergency or message regarding the child. The parents may NOT use the child as messengers between them. This provision shall not be used for the purpose of harassing or annoying the other parent.
- C. In the event the receiving parent is unable to exercise visitation on a given occasion, the receiving parent must provide the other parent with at least 24-hours advance notice of the cancellation of the visit with the child unless with a verifiable emergency.
- D. The parents shall communicate with each other by means of _____, and shall respond to the other parent within ____ hours. Parties shall enroll within ____ business days.
- E. Each parent shall notify the other parent within 24 hours of any changes of address and/or telephone numbers.
- F. There shall be no communication of any kind that is not on the parenting communication app, unless there is an emergency. The parenting communication app shall not be used to berate or criticize the other parent, and shall only be used to share information regarding the children.
- G. Evidence that a parent is violating this order regarding communications may be considered by the court to be an indication that the parent violating the order is lacking in essential parenting skills, which may result in a reduction of time with the children for the violating parent.

vi. GENERAL HEALTH AND WELL-BEING:

None of the standard orders set forth below apply to a parent who has no visitation or has only supervised visits.

- A. Each parent shall be empowered to obtain emergency health care for the child without the consent of the other parent. Each parent shall notify the other parent as soon as reasonably possible of all emergencies involving the child including, but not limited to, illness or emergency requiring medical attention.
- B. Both parents are required to administer any medications for the child. At time of exchange, each parent will inform the other parent of the medication given and time of last dosage.
- C. Both parents shall be listed on **all** emergency cards for the child including but not limited to the child's school and/or childcare provider. The mother shall be listed as 'mother' and the father shall be listed as 'father'. This provision does not authorize either parent to remove the child from the school or childcare facility for visitation during regular hours, unless otherwise authorized in the Court order or agreed to between the parents in writing.
- D. The parents shall be responsible for the child's attendance at their extracurricular activities, including but not limited to, team sports, school functions, lessons, and other such child centered activities during their respective custodial periods. The parents shall mutually agree upon enrolling the child in any future extracurricular activities, which infringes upon the time the child is with the other parent. Each parent has the right to attend/participate in any such activities when parental attendance is allowed. The non-custodial parent may have contact with the child for the purpose of acknowledging their accomplishments or performance and to say good-bye without interference from or by the custodial parent.

- E. Each parent must notify the other parent *within 24 hours of scheduling* any medical or dental appointments for the children. This notice is to include the date, time, name, address and telephone number of any health care providers. Unless directed otherwise by the health care provider, or by court order, both parents have the right to be present for all appointments and emergency treatment.
- F. The children are to be taken to school on time every day, and are not to be removed from school early, without a valid medical excuse. Each parent shall be responsible for ensuring that all homework assigned for completion during their parenting time is timely completed. Evidence that a parent is violating this order regarding meeting the children's educational needs may be considered by the court to be an indication that the parent violating the order is lacking in essential parenting skills, which may result in a reduction of time with the children for the violating parent.
- G. While schools are closed due to the COVID-19 pandemic, or any future pandemic or other government-declared state of emergency, parenting time shall continue as if the children are still attending school in accordance with the school calendar of the relevant school district. "Spring Break," "Summer Break/Vacation," "Winter Break," or other designated holidays, means the regularly calendared breaks/vacations or holidays in the school district where the children are attending school (or would attend school if they were school aged). The closure of the school for public health purposes will not be considered an extension of any break/vacation/holiday period or weekend.
- H. The COVID-19 pandemic or any future pandemic is not, standing alone, a basis to deny parenting time. Unless otherwise ordered by the court, parents are considered fit to care for their children and make decisions regarding the day-to-day aspects of parenting while the children are in their care. This day-to-day care includes following state and local directives regarding social-distancing and sanitation-related measures (such as frequent hand-washing).

vii. SAFETY AND PROTECTION:

- A. The parents shall refrain from doing or saying anything in the presence of the child that will diminish the love and affection the child has for the other parent. The parents shall not question the child about the personal life of the other parent, nor discuss custody, visitation, or child support issues in the presence of the child, nor question the child about where they want to live. The parents shall neither argue nor insult each other in the presence of the child, nor allow any third party to do so. Both parents shall encourage the child to be with the other parent, in accordance with the Court Order, and help to ensure a peaceful transition from one parent to the other.
- B. ☐ The parents and any third party shall NOT use any form of physical discipline (corporal punishment) when disciplining the child. Failure to comply with this provision of this Order may be considered a change in circumstance and may be taken into consideration by the Court in future custody and visitation matters in this case.
- C. Neither parent shall remove the child from the State of California, County of Tulare, for the purpose of changing the child's residence without the written notarized consent of both parents or further order of the Court.
- D. The custodial parent shall notify the other parent if the parent plans to change the residence of the child for more than 30 days, unless there is prior written agreement to the removal. The notice shall be given before the contemplated move, by mail, return receipt requested, postage prepaid, to the last known address of the parent to be notified. A copy of the notice shall also be sent to that parent's attorney of record. To the extent feasible, the notice shall be provided within a minimum of 45 days before the proposed change of residence so as to allow time for mediation of a new agreement concerning custody.
- E. The perpetration of child abuse or domestic violence in a household where a child resides is detrimental to the child and may be the basis for modification of these orders in the best interests of the child.
- F. The child must not be left alone without age-appropriate supervision.
- G. ☐ The child shall have no contact of any kind with _____ pending further order from the Court.
- H. ☐ The child shall not be left alone with _____ for any reason.

viii.

The parents shall abstain from the abuse of alcohol or marijuana 24 hours prior to and during any physical contact with the child. [Abuse of alcohol shall be defined as drinking enough alcoholic beverages that would result in a 0.08% Blood Alcohol Concentration]. If either parent appears to be in violation of this paragraph of the Order, then the other party may call law enforcement to make a determination as to such violation. A violation of this paragraph of the Order may be considered a change in circumstance and may be taken into consideration by the Court in future custody and visitation matters in this case.
- B. ☐ _____ shall not consume any alcohol or marijuana ____ hours prior to, or during, any parenting time.
- C. When the child is in the care of either parent, that parent shall not associate with anyone who is abusing alcohol, marijuana, or prescription drugs or using illicit drugs. It is the responsibility of each parent to provide the child with a drug-free and sober environment. A violation of this provision may be considered a change of circumstance.
- D. In the event a party is charged or arrested for any drug or alcohol related offense, this may be considered a change of circumstance and this Court Order may be modified.
- E. ☐ Neither parent shall expose the child to secondhand smoke including smoke resulting from vaping. All smoking including vaping shall occur outdoors when the child is present.
