CHAPTER 1 - GENERAL ADMINISTRATION OF THE COURT

Rule 100 - Hours of Operation; Coin Will Not Be Accepted For Payment

The clerks' offices and telephone lines will remain open from 8:00 a.m. to 4:00 p.m. daily, excluding weekends and holidays. Drop boxes are installed in each court location except the Juvenile court to facilitate deposit of papers and fines after 4:00 p.m. and before 5:00 p.m. The documents placed in the drop box before 5:00 p.m. will be file stamped on the date deposited in the drop box. Any document received electronically by the court between 12:00 a.m. and 11:59:59 p.m. on a court day shall be deemed filed on that court day. Any document that is received electronically on a noncourt day shall be deemed filed on the next court day. (Code Civ. Proc., § 1010.6, subd. (b)(3); Cal. Rules of Court, rules 2.252 and 2.253.)

The court will not accept coin for payment. It is recognized that payment of coin to the court negatively impacts efficiency and cost-effectiveness. The court executive officer is the clerk of the court and a duly authorized officer of the court, and in accordance with the provisions of Government Code section 24353, a court officer, together with his/her deputies, is not required to accept any payment tendered by coin. (07/01/00) (Revised 01/01/07, 01/01/10, 07/01/11, 01/01/20, 07/01/22, 07/01/25)

Rule 101 - Objectives and Availability of Local Rules

The Tulare County Superior Court Local Rules are adopted pursuant to Code of Civil Procedure section 575.1. These rules set forth specific local policies and procedures and are intended to promote the efficient disposition of the business of the court. The rules are intended to augment, not restate or summarize, California Rules of Court, existing statutes, or applicable case law. The rules, although binding on attorneys and support personnel, may be departed from in the sound discretion of the court. Any judge may dispense with strict compliance with any provision of these rules in the interest of justice and upon a showing of good cause.

A loose-leaf version of these rules is available for purchase from the superior court clerk's office at the price of \$10.00. They are also available on the court's website at <https://www.tulare.courts.ca.gov>. (01/01/03) (Revised 01/01/07, 01/01/16, 07/01/25)

Rule 102 - Amendment of Rules

The court periodically reviews Local Rules for their continuing necessity and consistency with statewide rules and statutes. Amendments to Local Rules are considered and adopted by the court in accordance with the requirements of California Rules of Court, rule 10.613. Procedures related to the internal management of the court may be adopted from time to time and are not required to comply with Rule 10.613. (07/01/00) (Revised 01/01/07, 01/01/16)

Rule 103 - Sanctions

Failure to comply with these rules may result in one or more of the following actions:

- (a) An order dropping the matter from the calendar;
- (b) An order continuing the matter;
- (c) An order based solely on the pleadings properly before the court;
- (d) A noticed motion by the court or any party to strike all or part of the pleading, to dismiss all or part of the action, to enter default judgment, to impose any lesser penalties provided by law, and/or to award reasonable costs, including attorney fees pursuant to Code of Civil Procedure sections 128.7, 177.5, or 575.2; Family Code section 271; Government Code section 68608(b); or California Rules of Court, rules 2.30 and 5.546(j).

Rule 104 - Weapons and *Oleoresin Capsicum* (Pepper Spray)

All persons entering a Tulare County court facility are subject to search by court security personnel. No firearms, explosives, weapons, or pepper spray will be permitted within any court facility. Other items determined to pose a safety hazard may also be excluded as determined by security personnel. The firearm exclusion applies to persons who are holders of a concealed weapons permit, but is not applicable to peace officers or judicial officers who are in the performance of their official duties. (07/01/97) (Revised 01/01/07, 01/01/16)

Rule 105 - Gang-Related Clothing and Personal Property

No person will wear gang clothing or possess gang-related personal property while on the premises of any courthouse. This will include gang insignias, monikers, color patterns, bandannas, hats, jewelry, clothing, belts, or any other clothing or personal property with any gang significance. Any person identified by courthouse security personnel or law enforcement as wearing or possessing any item of property in violation of this rule will be asked to remove the property or themselves from the courthouse. Any such property is also subject to confiscation as contraband.

Violation of this order is punishable as contempt pursuant to Penal Code section 166 (maximum penalty of six months in county jail, a \$500 fine, or both). Any person who resists any courthouse security or law enforcement request to comply with this rule can be punished pursuant to Penal Code section 148 (maximum penalty of one year in county jail, \$1,000 fine, or both). (01/01/03) (Revised 01/01/07)

Rule 106 - Electronic Devices in Courtroom

In accordance with California Rules of Court, rule 1.150 and the California Code of Judicial Ethics, Canon 3(B)(3), the Tulare County Superior Court establishes the following policy regarding the use of cell phones, blue tooth ear pieces, cameras, eyeglasses or sunglasses capable of video or audio recording, prescription or non-prescription, and other portable electronic devices (hereinafter “electronic devices” or “devices”) in the courtroom.

Any use of an electronic device while court is in session is prohibited unless the party seeking to use such device is granted leave by the court to do so. Unless permission is granted to use a device, all such devices must be silenced or turned off while court is in session.

A judge may require a party and/or counsel requesting permission to use an electronic device to complete in writing a form entitled “Request for Permission to Use Electronic Device” available on the Local Forms (miscellaneous) page of the Court’s web site at:
<https://www.tulare.courts.ca.gov>.

Parties and/or counsel at counsel table may use such devices for calendaring purposes (e.g. to check for available hearing dates) while court is in session without leave by the court. Court personnel (e.g. bailiffs, clerks, and/or interpreters) may use such devices if this use is in the ordinary course of their duties with the courts.

Any use of electronic devices in contravention of this policy may result in the imposition of lawful penalties and sanctions including a contempt of court citation.

Nothing in this policy limits the court’s authority to impose other reasonable limitations on use of these devices to maintain conditions conducive to the orderly conduct of court proceedings. (07/01/97) (Revised 01/01/07, 07/01/09, 01/01/10, 01/01/14, 07/01/17, 01/01/2021, 07/01/2025)

Rule 106.1 - Electronic Recording Devices in Courthouse Facilities

Any and all “photographing” and/or “recording” of people, things, conversations, or proceedings is strictly prohibited in any court or court related facility, including, but not limited to clerks’ offices, stairways, elevators, waiting areas, hallways, entrances, security screening stations, service areas, through windows, through doors, and with respect to any other accessible areas of court facilities, whether access was intended or not, absent written order from the Presiding Judge. Any device that appears capable of photographing, recording, or broadcasting is subject to confiscation. Media requests for an exception to this restriction may be submitted in accordance with California Rules of Court Rule 1.150(e). (07/01/17)

Rule 106.2 - Use of Law Enforcement Body Cameras Prohibited in Courthouse

Court users, primarily participants in various legal proceedings, have a reasonable privacy interest in their activities within the courthouse. Generally, law enforcement officers are

precluded from recording communications without the consent of the parties to the communication. Penal Code 632. Law enforcement personnel participating in court proceedings would not likely have cause to activate a body worn camera while in the courthouse. Under California Rules of Court rule 1.150, the court has broad authority to regulate use of recording devices in the courthouse. See also *Superior Court v. County of Mendocino* (1996) 13 Cal.4th 45. The court regularly makes use of video technology to enable parties, including in-custody defendants, to appear remotely for a variety of court proceedings. Remote appearances may, in some cases, originate from jail facilities under the control of law enforcement agencies.

Based on the foregoing, body-worn cameras utilized by law enforcement agencies may not be activated within any court or court related facility without prior authorization by the Presiding Judge. To the extent jail facilities being used for remote video appearances may be considered court related facilities, law enforcement personnel are authorized to use and activate body-worn cameras while transporting inmates to and from the hearing location in jail facilities for remote video appearances by in-custody defendants. Officers assigned to court security duties shall not carry body-worn cameras in any court or court related facility. Such officers are authorized to use body-worn cameras while transporting inmates to and from video hearings located in jail facilities. No other use of body-worn cameras in court and court related facilities is permitted without prior authorization by the Presiding Judge. (07/01/17), (Revised 01/01/21, 07/01/2025)

Summoned jurors may also bring small snack items and/or lunch bags. Lunch bags may be subject to search at the discretion of court security;
 - (2) Court and/or county staff are exempt from this rule;
 - (3) Exceptions may be granted by the presiding judge, or his or her designee, for meal delivery services. All meal deliveries are subject to search by court security staff. (07/01/97) (Revised 07/01/00, 01/01/07, 01/01/14, 07/01/25)

- (a) General Information - The CourtCall Telephonic Appearance Program (“CourtCall”) organizes a procedure for telephonic appearance by attorneys and/or parties as a reasonable

alternative to personal appearance in appropriate cases and situations. CourtCall is fully voluntary, and no attorney is required to utilize CourtCall if he/she would rather make a personal appearance. CourtCall is available at a reasonable fixed fee to use when circumstances are appropriate. The party wishing to appear telephonically must check with the clerk of the department to see if the judicial officer in charge of that department allows a telephonic appearance.

- (b) Request for Permission and Notice - As stated above, the request to appear telephonically must be made directly to CourtCall at 888-882-6878, no later than five court days prior to the hearing. The party must give notice to the court and other parties of their plans to appear telephonically. All participants in CourtCall agree to abide by the rules of CourtCall, which they may obtain from CourtCall, and to pay in advance as required by CourtCall, directly to CourtCall. No cellular telephone may be used. The participant must call from a quiet place in order to hear, and be heard, without disruption to the court.
- (c) The court reserves the right, at any time, to reject any request for CourtCall appearance. When the court rejects a request, it will order a refund of deposited telephonic appearance fees and notify CourtCall. (01/01/03) (Revised 01/01/07)

Rule 109 - Appointment of Counsel

In all criminal, juvenile, and conservatorship cases where the defendant or party is without funds to employ counsel, the court will, in each instance, appoint the office of the public defender. When the public defender is unable to represent the defendant or party, the court will appoint counsel. All such appointments will be made, when possible, in accord with any existing county contract for the processing of alternative defense counsel. (07/01/97) (Revised 01/01/07)

Rule 110 - Court Order to Deposit Money with Clerk of Superior Court

In any civil matter in which either party is required by statute or court order to deposit money with the clerk of the superior court pending the outcome of the matter, the party will be responsible for keeping the clerk of the superior court advised of his/her current address. If a party fails to maintain a current address with the court, the party may not receive notice that the deposit is considered abandoned by the clerk of the superior court. (01/01/03) (Revised 01/01/07)

Rule 111 - Jurors

When a jury trial is held in a superior courthouse, other than one located in the county seat, the names for the master jury list and the qualified jury list for that trial may be selected from the area in which the trial is held. Nothing in this section precludes the court, in its discretion, from ordering a countywide venire in the interest of justice.

Seated jurors will be issued a badge or other insignia identifying them as members of a trial jury. Jurors are to wear these badges at all times while present in the courthouse.

As far as is practicable, jurors are to spend their recesses in the jury room or jury assembly room. A juror should not visit other courtrooms while a member of a trial jury.

If the jury is taken to lunch or dinner during deliberations, the bailiff will be responsible for the conduct of the jury. Jurors must not consume any alcoholic beverage during deliberations. Jurors are to comply with all instructions given by the trial judge. (01/01/03) (Revised 01/01/07)

Rule 112 - Proposed Jury Instructions and Verdict Forms (Omitted 01/01/09)

Rule 113 - Reimbursement of Waived Fees

Pursuant to Government Code section 68630 and 68637 and California Rules of Court, rule 3.57, there will be a standing order of this court that a lien exists on any money recovered by an applicant in any civil case who has had the court fees waived, except family law and unlawful detainer. If any money is received by the applicant by means of settlement or judgment, all waived fees and costs must be reimbursed to the court before the case will be dismissed. It will be the responsibility of the litigant proceeding with a fee waiver, or the attorneys if any party is represented, to notify the court within five days of any settlement or monetary consideration received in settlement or judgment by the litigant. The applicant, or his/her attorney, must see that the court's fees and costs are reimbursed prior to any disbursement to the attorney, or the client, based upon the court's lien. The amount of the lien can be obtained upon demand from the clerk of the court. The court may exercise any of the remedies as outlined in Government Code section 68637 to collect these fees. Rule 115 - Court Reporters

The ongoing shortage of court reporters statewide is a crisis that poses dynamic challenges to this court's ability to reliably provide the services of an official court reporter in many cases, as the services of court reporters available at the court are very limited. Parties are encouraged to check the court's website at <https://www.tulare.courts.ca.gov/> for current announcements and information on the court's official court reporter and electronic recording policies.

- (a) The court normally provides official court reporters in all felony trials and hearings, all proceedings under the Lanterman-Petris-Short Act, and all juvenile calendars.
- (b) The court does not normally provide official court reporters for limited civil, misdemeanor or infraction cases. Misdemeanor proceedings and contempt actions in family law matters shall be electronically recorded.

- (c) Unless otherwise noted on the court’s website, the court does not normally provide court reporters for the following case types:
- (1) Unlimited civil;
 - (2) Probate, including guardianships; and
 - (3) Family law, except contempt actions.
- (d) Parties desiring a court reporter in a case in which the court cannot provide one will need to make arrangements to have a certified court reporter available well in advance of the scheduled hearing date(s), either from the court’s approved list of qualified reporters or using the procedures specified by statute and the Rules of Court (see Government Code section 70044 and California Rule of Court 2.956). It is a party’s responsibility to arrange for and pay the outside reporter’s fee for attendance at the proceedings, but the expense may be recoverable as part of the costs, as provided by law.
- (e) If a party to a case type described in subdivision (c) above has been granted a fee waiver, the party may request a court reporter pursuant to California Rule of Court 2.956, subdivisions (c)(2), on the forms and pursuant to the timelines set forth in that rule. In accordance with California Rule of Court 2.956, subdivision (c)(2), an official reporter will be provided by the court if the fee waiver has been granted and the court is not electronically recording the proceeding as long as the request is made in a timely manner.
- (f) In appropriate circumstances when an official court reporter is unavailable for the proceedings in a case described in subdivision (c), the court may order the courtroom clerk to operate the department’s approved electronic recording equipment to record the proceedings in accordance with California Rule of Court 2.952. Litigants in cases where electronic recording is used to make a verbatim record of the proceedings are advised that, to provide an appellate court with a record of oral proceedings that were electronically recorded, the party seeking to provide such record will need to follow appropriate procedures to use an alternate form of the record of the oral proceedings instead of a reporter’s transcript as provided under the applicable California Rules of Court and other applicable law. (See e.g., California Rules of Court 8.134 [agreed statement in civil appeals], 8.137 [agreed statement in civil appeals], 2.952 [written transcript of electronic recordings].) (01/01/07) (Revised 01/01/09, 01/01/14, 07/01/17, 07/01/2025)

The Clerk of the Court shall post any policies for file retrieval and photocopying including any applicable charges. Personal photographing or other reproduction of original court records by the public is not permitted. This rule does not apply to the printing or reproduction of documents that may be posted or otherwise made available in electronic form on the court's website. Pursuant to California Rules of Court, rule 3.55, the clerk shall provide one copy of documents without charge to a litigant with an approved waiver of fees. (01/01/07) (Revised 01/01/14)

Rule 203 - Superior Court Commissioners and Referees

Any superior court commissioner or referee will act in the capacity of judge pro tem, if so appointed by a majority of the superior court judges and stipulated to by the parties. The stipulation may be expressed, oral, and/or implied by the conduct of a party, or a party's attorney, by not objecting to the commissioner acting as a temporary judge upon the first appearance, or within the time specified in a local rule when the local rule gives notice that a commissioner routinely acts as a temporary judge and specifies how an objection must be made. Commissioners and referees will have been members of the State Bar of California for a period of not less than 10 years. Commissioners and referees will serve at the pleasure of the judges. (01/01/03) (Revised 01/01/07, 07/01/25)

Rule 204 - Attorneys Volunteering to Sit as Judge Pro Tem

Any attorney wanting to sit as a judge pro tem must comply with California Rules of Court, rules 2.810-2.819. The state has imposed mandatory educational requirements before the court can approve an attorney to act as a judge pro tem. (See the court's website at <https://www.tulare.courts.ca.gov> and related links to obtain the necessary training regarding a judge pro tem; and the application necessary for prior court approval to be able to qualify as a judge pro tem.) (01/01/07) (Revised 07/01/25)

Rule 205 - Grand Jury Selection

A grand jury will be drawn and impaneled by the presiding judge of the superior court once each fiscal year commencing July 1, pursuant to the procedures set forth in Penal Code sections 888 et seq. (01/01/03) (Revised 01/01/07)

Rule 206 - Executive Committee (Omitted 07/01/25)

Rule 207 – Complaint Procedure

- (a) Complaints against court employees must be submitted in writing to the Chief Executive Officer of the Court. The Chief Executive Officer will have the discretion to not consider complaints that are made anonymously.
- (b) Complaints against judicial officers must be submitted in writing to the presiding judge or to the Commission on Judicial Performance. If the complaint is regarding the presiding judge, the complaint must be submitted to the assistant presiding judge. The presiding judge, or assistant presiding judge if the complaint is regarding the presiding judge, will have the discretion to not consider complaints that are made anonymously.
- (c) If a disability prevents a complainant from submitting the complaint in writing, the party receiving the complaint will cause it to be reduced to writing.
- (d) Complaints against court employees or judicial officers include complaints of bias based on age, ancestry, color, ethnicity, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, physical or mental disability, political affiliation, race, religion, sex, sexual orientation, socioeconomic status, or any other classification protected by federal or state law.
- (e) Complaints against judicial officers must allege conduct that would be within the jurisdiction of the Commission on Judicial Performance under Article IV, section 18 of the California Constitution, and not conduct related to the permissible exercise of judicial or administrative discretion by a judicial officer. (07/01/25)

CHAPTER 3 - JUDICIAL ASSIGNMENTS

Rule 300 - Court Calendar

The business of the court will be assigned in accordance with the Judicial Assignments Order which will be issued on or about July 1st of each year to be effective until the next July 1st, or until a new or amended Judicial Assignments Order is issued (see the current judicial assignments for each department here: <https://www.tulare.courts.ca.gov/general-information/judicial-assignments>).

The clerk, at the beginning of each court day, will post a daily court calendar outside of each courtroom showing the matters assigned to that department that day. The names of parties in adoption, juvenile, and mental capacity matters will not be shown and will be kept confidential. (07/01/00) (Revised 01/01/07, 01/01/09, 01/01/10, 07/01/11, 01/01/14, 07/01/25)

Rule 301 - Setting the Calendar for Hearings and Trials

Prior to setting any matter for hearing, the moving party must make a reasonable and good faith attempt to resolve the matter. If resolution is not possible, the moving party must attempt to coordinate hearing dates with the opposing parties prior to contacting the court.

- (a) Under the general supervision of the presiding judge, hearings will be set as follows:
- (1) All civil matters and appeals, whether contested or uncontested, will be set by the appropriate calendar clerk. Before filing or serving notice of a motion and/or hearing, the moving party must clear and reserve a hearing date with the appropriate calendar clerk. If for any reason a matter is removed from the calendar, the moving party must promptly notify the calendar clerk with whom the hearing date was set.
 - (2) All civil case management conferences will be set pursuant to Local Rule 600; all family law case management conferences will be set pursuant to Local Rule 906.
 - (3) All criminal law and motion matters will be handled pursuant to California Rules of Court, rules 4.111 and 4.112 as set forth in the Criminal Rules. Matters which are appropriate for motions in limine will be heard by the trial judge at the time set by the trial judge.
 - (4) All juvenile matters will be set by the juvenile court clerk, under the authority of the juvenile court judge or referee, and in accordance with the general calendar of the court.
- (b) Attorneys should avoid scheduling more than two hearings at the same time on the same day (not including ex parte hearings). While the court will reasonably trail matters to accommodate the necessary scheduling of more than one matter on the same day, a pattern of routine or unreasonable delay in matters being heard caused by a violation of this rule may result in the imposition of attorney fees or other sanctions. (07/01/97) (Revised 01/01/07, 07/01/11, 07/01/25)

Rule 302 - (Omitted 07/01/11)

CHAPTER 4 - APPELLATE DIVISION

Rule 400 - Appeal Hearings

The Chief Justice of the California Supreme Court appoints three judges of the court to sit as an Appellate Panel of the Superior Court, pursuant to California Rules of Court, rule 10.1100. The Chief Justice also designates the presiding judge of the appellate division.

Appeals from the limited civil cases, misdemeanors, and traffic infractions will be heard once a month in the Visalia courthouse at a time, date, and courtroom determined by the appellate panel and stated in the court's judicial assignments order. Pursuant to Code of Civil Procedure section 77(h), one judge of the appellate division may hear traffic infractions. (01/01/03) (Revised 01/01/07, 01/01/09, 07/01/17)

Rule 401 - Notice of Appeal

A timely Notice of Appeal is a jurisdictional requirement to a valid appeal (Cal. Rules of Court, rules 8.821 and 8.822 [civil appeals], rules 8.852 and 8.853 [misdemeanor appeals] and rules 8.901 [infraction appeals]). The Notice of Appeal must be filed with the trial court (Cal. Rules of Court, rules 8.821, 8.852, and 8.901). Failure to timely file a Notice of Appeal constitutes a ground for dismissal of the appeal. (01/01/07) (Revised 01/01/09)

Rule 402 - Statement on Appeal or Reporter's Transcript

Except where the appeal is on the judgment role, no appeal will be set for hearing unless and until the elected record of oral proceedings in the trial court or the statement on appeal has been filed. It is the responsibility of appellant to see that the appropriate record of oral proceedings is timely lodged with the clerk. Parties must comply with applicable statutes, codes and rules of court in preparing the record of oral proceedings. Where a court reporter was present, a reporter's transcript of the proceedings must be obtained. Where trial court proceedings are electronically recorded, the court elects to permit the use of a copy of the electronic recording, made by the court, to be utilized in the appellate division without being transcribed (California Rules of Court, rules 8.835, 8.868, and 8.917). Infraction proceedings are not electronically recorded and limited civil proceedings may not be recorded. In such cases, a statement on appeal will be required.

In the event the statement on appeal, electronic recording, or transcript has not been filed, and appellant has not commenced appropriate proceedings to mandate compliance with this requirement, the appellate division of this court may dismiss the appeal, after the court clerk has mailed notice pursuant to California Rules of Court, rule 8.842 for limited civil cases, rule 8.869(b)(3) for misdemeanor cases and rule 8.916(b)(3) for infraction cases.

If appellant fails to perform any act necessary to procure the preparation or filing of the record on appeal or shall otherwise fail to prosecute his appeal with diligence, the appeal may be dismissed by the appellate division on its own motion and/or on respondent's motion (Cal. Rules of Court, rule 8.842). (07/01/00) (Revised 01/01/07, 01/01/09, 01/01/16)

Rule 403 - Briefs on Appeal

As soon as the record on appeal in any case is filed, the clerk will mail to the attorney appearing of record for each party, or if any party has appeared without an attorney, then to such party personally, at the address of such attorney, or party appearing in the record, a notice stating that said record has been filed and giving the time, date, and department in which the appeal will be heard, and the dates when each party must file briefs, as provided in the California Rules of Court. (See Cal. Rules of Court, rules 8.882 and 8.927 for the allowed time for opening, responding, and replying briefs.)

Briefs must comply in form and length with California Rules of Court. The original brief submitted for filing must be accompanied by three copies.

Failure to file an appellant's opening brief constitutes a ground for dismissal of the appeal (Cal. Rules of Court, rule 8.882 and 8.927). (01/01/07) (Revised 01/01/09)

Rule 404 - Proof of Service

No appellate brief will be accepted for filing by the clerk unless accompanied by proof of service upon the parties entitled to service under California Rules of Court, rules 8.25, 8.882, and 8.927. (07/01/89) (Revised 01/01/07, 01/01/09)

Rule 405 - Orders Extending or Shortening Time

Any request for routine matters such as an order extending or shortening time must be presented in writing to the clerk for the clerk to present to the presiding judge of the appellate division. The document shall not exceed five pages in length, and shall include a declaration under penalty of perjury (Cal. Rules of Court, rules 8.806, 8.810, and 8.812). (07/01/00) (Revised 01/01/07, 01/01/09)

Rule 406 - Oral Argument

Unless good cause is shown, counsel's oral argument will be limited to 10 minutes per side in limited civil and misdemeanor appeals (Cal. Rules of Court, rule 8.885(d)) and will be limited to 5 minutes per side in infraction appeals (Cal. Rules of Court, rule 8.929(d)).

A party who is not present at calendar call is deemed to have waived oral argument unless the party has advised the clerk in advance of a delay.

Continuances will not be granted without a showing of good cause. Continuances by stipulation are subject to approval of the presiding judge of the appellate division.

Supplemental briefing shall not be permitted unless, after oral argument, the court intends to decide a case upon the basis of an issue not briefed or proposed by any party (Gov. Code, § 68081). (06/01/83) (Revised 01/01/07, 01/01/09)

Rule 407 - Decisions

Unless the decision of the court is announced orally from the bench, a written decision will be issued within 90 days of the hearing and will be mailed to all parties and to each department of the Tulare County Superior Court. (07/01/00) (Revised 01/01/07, 01/01/09)

Rule 408 - Writs and/or Need for Ex Parte Hearing

All matters, including writs that require emergency action by the appellate division, must be submitted to the court administrator in Room 201 of the Visalia courthouse with proof of service, informing the court staff that it requires immediate attention. The court staff will immediately contact the presiding judge of the appellate division. The presiding judge will determine what action should be taken, and the parties will be notified by court staff. Parties are never to directly contact an appellate judge and/or his personal staff. Writ petitions shall comply with Cal. Rules of Court rules 8.930-8.936. This rule 408 is not applicable to petitions for habeas corpus relief. (01/01/07), (Revised 01/01/09, 01/01/16).

Rule 409 - Record on Appeal

The court elects to use the original file from the trial court in lieu of a clerk's transcript pursuant to California Rules of Court, rules 8.830(a)(1)(B) and 8.833 [civil appeals]; 8.860(a)(1)(B) and 8.863 [misdemeanor appeals]; 8.910(a)(1)(B) and 8.914 [infraction appeals]. (01/01/09)

CHAPTER 5 - PRESENTATION, FILING, AND SERVICE OF COURT PAPERS

Rule 500 - Statements of Decision, Orders, Judgments, and Decrees

Statements of decision, orders, judgments, or decrees must bear a standard caption and must be submitted to the judge at the time of the hearing or to the judge's clerk after the hearing. All documents submitted for a judge's endorsement must also bear opposing counsel's or party's approval as to form, or a declaration of the one seeking the judge's endorsement that he or she has complied with California Rules of Court, rule 3.1312. No proposed orders will be accepted for filing prior to the hearing of the matter. Proposed orders may be lodged in the file. If a department requires proposed orders prior to hearings, the orders must be presented to the departmental clerk and not to the clerk's office. (07/01/00) (Revised 01/01/07)

Rule 501 - Submission of Written Orders

All orders must be on a separate document, for entry on the docket upon the judge's signature. If the document has at the end of the request, "It is so Ordered," a second copy of the document must be submitted to be the order. This allows for a different file stamp date at the top of the document on the order when it is signed. It also provides a correct date for entry of the order on the docket and provides a court order which can be found chronologically in the file. (07/01/00) (Revised 01/01/07)

Rule 502 - Presentation of Documents and Service of Orders

Papers that do not comply with these rules, the Code of Civil Procedure, and the California Rules of Court may not be considered by the court.

All written orders signed by a judge, including orders to show cause, temporary restraining orders, and injunctions, must be filed forthwith; and an endorsed copy must be served upon the parties to be notified thereof. (07/01/00) (Revised 01/01/07)

Rule 503 - Entry of Court Orders in Minutes

The clerk will keep minutes of court orders and will upload a copy of each minute order in the court's electronic file of actions in chronological order in lieu of a minute book, pursuant to Government Code sections 69844 et seq. (07/01/00) (Revised 01/01/07, 01/01/23)

Rule 504 - Guardian ad Litem Forms

The Judicial Council has issued forms to petition for appointment of a guardian ad litem and has made their use mandatory in almost all matters. These forms are available in the clerk's office in room 201 of the Visalia courthouse and/or on the Web at <https://www.courts.ca.gov>. (01/01/03) (Revised 01/01/07, 01/01/20)

Rule 505 - Self-Addressed Stamped Envelope for Conformed Copies

Conformed copies, by mail, will be returned to the parties requesting them only when the request is accompanied by a self-addressed stamped envelope. (07/01/00) (Revised 01/01/07)

Rule 506 - Filing of Form with Writing on Each Side (Omitted 07/01/25)

CHAPTER 6 - MANAGING CIVIL CASES

Rule 600 - Case Management Conference

- (a) The Judicial Council has implemented state rules for the management of civil cases (Cal. Rules of Court, Chapter 2 Trial Court Management of Civil Cases, rules 10.900, et. seq.).

In recognition of the state rules requiring the court to implement a case management Plan, the court elects to follow California Rules of Court, rule 3.714.

- (1) At the time the complaint is filed, the clerk will issue a hearing date for the Case Management Conference (CMC) to plaintiff that is no less than 120 days after the filing of the complaint. Plaintiff must serve a Notice of CMC on each defendant along with the summons and complaint.
- (2) Any party who files and serves a cross-complaint prior to the CMC must serve on each cross-defendant who is a new party to the action, a copy of the Notice of CMC along with the summons and cross-complaint. If a new cross-defendant is served after the initial CMC, the cross-complainant must serve the new cross-defendant with notice of any pending CMC, any assigned mediation date, trial, or settlement conference dates, and any other dates set by the court or orders made at the CMC.
- (3) If the plaintiff adds a new defendant or identifies a fictitiously named defendant after the initial CMC, along with the summons and complaint, plaintiff must serve the newly named defendant with notice of any pending CMC, any pending mediation date, any assigned trial and settlement conference dates, and any other dates set by the court or orders made at the CMC.
- (4) Proof of service of Notice of the CMC must be filed with the court within 60 days from the date the complaint is filed and may be included in the proof of service of the summons and complaint or cross-complaint.
- (5) This court has found that mediation is highly desirable and orders the parties to meet and confer prior to the CMC date regarding an agreed upon mediator and mediation date and time. A list of mediators and their fees are provided by the court in its ADR package, which can be obtained on the court's website at <https://www.tulare.courts.ca.gov/divisions/civil>. The mediator must be agreed upon before the CMC and the mediation date and time cleared with the mediator so the court may enter the date in the court's minute order.
- (6) Under California Rules of Court, rule 3.725, no later than 15 calendar days before the date set for the CMC, each party must file a CMC statement and serve it on all other parties in the case. Parties must use the mandatory CMC Statement (Judicial Council form CM-110). All applicable items on the form must be completed.

- (7) In lieu of each party's filing a separate case management statement, any two or more parties may file a joint statement.
- (8) In the event all parties stipulate in writing presented to the clerk at least 15 days prior to the Case Management Conference, any matter will be assigned for all purposes to the South County Justice Center. Requests to transfer made after the deadline for filing a stipulation will be at the discretion of the assigned judge.
- (b) Presence Required - Counsel and unrepresented parties are required to be present, either in person; by remote appearance as permitted by law (see <https://www.tulare.courts.ca.gov/online-services/request-remote-hearings> for information on remote appearances); or by telephonic appearance pursuant to The Superior Court of Tulare County, Local Rules, rule 108, and must have: (1) sufficient information and understanding of the case to evaluate it accurately, and (2) sufficient authority to enter into binding agreements such as the diversion of the case to arbitration, including binding arbitration, the setting of a trial date and mandatory settlement conference date, the dismissal of doe defendants or other parties, and the setting of a further case management conference.
- (c) Compliance - Failure to attend the case management conference will result in the court making whatever orders and imposing whatever sanctions as may be necessary and appropriate to obtain compliance with these rules, including but not limited to, a waiver of the right to a jury trial and a waiver of the right to object to a referral to arbitration or other alternate dispute resolution procedure.
- (d) Waiver of Notice - When all parties are present at the case management conference and a trial date and settlement conference dates are agreed to by the parties or ordered by the court, such presence is an effective waiver of a separate or formal notice of settlement conference and trial date. (01/01/03) (Revised 01/01/07, 01/01/09, 07/01/11, 07/01/17, 07/01/24)

Rule 601 - Policy

- (a) Hearing on Order to Show Cause - At an order to show cause hearing, the court may make whatever orders and impose whatever sanctions as may be necessary or appropriate to obtain compliance with these rules. Such orders may include requiring the filing of documents or the carrying out of other acts required to proceed with the case. Such sanctions may include imposition of monetary fines or other consequences as set forth in The Superior Court of Tulare County, Local Rules, rule 103.

The failure of counsel, or an unrepresented party, to appear at a hearing on an order to show cause will be an unqualified waiver of any objection to any order or sanction made or imposed by the court at such hearing.

- (b) Final Disposition of Case - No case will be removed from the civil active list except by order of court. The civil calendar clerk must be notified in writing immediately upon settlement of

a case. A dismissal, judgment, or a statement of conditional settlement must be filed within 10 days of such action (Cal. Rules of Court, rule 3.1385).

No case will be removed from the civil active list except by court order. No time standard or deadline specified in this chapter nor any schedule, dates, time limitations or other requirements imposed by any order made pursuant to this chapter may be modified, extended or voided by any stipulation or agreement of the parties unless a written order approving the same is first obtained from the presiding judge. Such order may be obtained only upon a showing of good cause. (01/01/03) (Revised 01/01/07)

Rule 602 - Reduction of Unnecessary Paperwork and Avoidance of Unnecessary Court Appearances

To reduce the public's costs in money, time, and resources in the conduct of civil litigation, it is the policy of this court to reduce the preparation, mailing, and filing of documents whenever possible. To this end, these rules have eliminated the filing of an at-issue memorandum or a counter at-issue memorandum.

To further implement this policy, unnecessary court appearances are avoided by the elimination of a separate trial setting conference and by allowing telephone appearances at the case management conference pursuant to The Superior Court of Tulare County, Local Rules, rule 108.

Counsel and the parties are urged to manage each case in such a manner as to avoid the issuance of orders to show cause. (01/01/03) (Revised 01/01/07)

Rule 603 - Case Designation

All civil cases must be classified by the court pursuant to California Rules of Court, rule 3.714, with the court presuming that the case can be completed within one year. For a case to come under any other designation, the parties must make a motion to the court to have the case designated as protracted. Protracted cases are those which comply with California Rules of Court, rule 3.400. (01/01/03) (Revised 01/01/07)

Rule 604 - Service of Complaint

- (a) Timing - Pursuant to the delay reduction rules, within 60 calendar days of filing, the complaint must be served and a proof of service as to each named defendant filed with the court, unless a "Request for Extension of Time" is filed with the court stating facts establishing good cause as to why service has not been made, or should not be made, upon all parties within the time as provided in this rule. The request and order to obtain an extension of time must be in the form as set forth in Appendix 9.

Upon filing the "Request for Extension of Time," the court may, (1) grant an extension of time to a specified date, (2) deny the request, or (3) conduct a hearing to determine the setting of the date for compliance with these rules.

- (b) Compliance - Upon failure to serve the complaint and file proof of service or dismissal as to each named defendant, or to file a “Request for Extension of Time” as required by these rules, the court will issue an “Order to Show Cause” as to why the party or counsel should not be sanctioned. Service of the complaint and filing the proof of service after the “Order to Show Cause” has been issued will not relieve the party from the imposition of the sanction. For administrative tracking purposes, the filing of an answer or other responsive pleading by a defendant does not obviate the need to file a proof of service. (07/01/97) (Revised 01/01/07)

Rule 605 - Arbitration

The provisions of Code of Civil Procedure section 1141.10 et seq., and California Rules of Court, rules 3.810 et seq., are augmented or emphasized as follows:

- (a) The amount in controversy in each case will be determined at the case management conference. The court may also order an increase to the limit on the amount the arbitrator is otherwise authorized to award. All cases to which Code of Civil Procedure section 1141.11 applies will be submitted to arbitration by the case management judge if the case is appropriate for arbitration pursuant to the code.
- (b) If a case is ordered to arbitration, a back-up trial date will be selected so that the case will proceed expeditiously to trial if the case is not resolved by arbitration. The court will also set the time limit for conducting the arbitration hearing in order to afford the parties a reasonable opportunity to conduct discovery. If no time is set, the arbitration hearing must be held within 120 days of the order.
- (c) With the consent of the arbitrator and the court, the parties may stipulate to continuances.
- (d) Whenever parties fail to appear at a scheduled arbitration hearing without having previously notified the arbitrator, the case must be certified to the presiding judge who will order the parties and their counsel to appear to show cause why they failed to appear. Without a showing of good cause, appropriate sanctions will be imposed.
- (e) If a party requests a trial de novo after arbitration, the request may not be withdrawn except by a written stipulation, signed by counsel for all parties appearing in the case, expressly agreeing that a non-appealable judgment may be entered on the arbitration award. If a request for a trial de novo is not timely filed, the clerk will, upon the expiration of the time for filing, forthwith enter the award as a judgment, and will vacate the back-up trial date.
- (e) If the parties consent to binding arbitration, the consent must be stipulated to in writing and must be signed by the client or clients whose rights are affected by such consent. (07/01/97) (Revised 01/01/07)

Rule 606 - Settlement Conference

Settlement conferences are mandatory in every case except trials de novo in small claims cases. Counsel for each party must comply with California Rules of Court, rule 3.1380, and deliver to the civil calendar clerk and all other counsel, no later than 5 court days prior to the conference, a written statement including:

- (a) Contentions as to what counsel believes are the specific material facts. In a personal injury case, copies of the official accident report, all relevant medical reports, and a summary of expected medical testimony with identification of each witness must be attached;
- (b) Legal and factual contentions set forth with particularity;
- (c) Citation of authority for all legal contentions;
- (d) An itemized list of special damages claimed. If earnings loss is claimed, a copy of Employer's Wage Loss Statement must be attached. If a wage loss statement is not available, a method of computation of claimed loss of earnings, earning capacity, or loss of profits must be attached; and
- (e) Any other information that counsel feels may be helpful to the court in familiarizing the court with the case. Counsel should be prepared to respond to the "Settlement Conference Check List" in Appendix 1 of these rules. A statement that the information required is unknown will be cause for imposition of sanctions unless good cause is shown for failure to respond. Since these statements are to be used by the court and counsel solely for the purpose of the settlement conference, they will not be filed in the action. Therefore, counsel should feel entirely free to set forth all matters they deem necessary to facilitate the conference. A specific settlement amount may be included. Nothing contained in any pretrial statement or any statement made by any party at the settlement conference will be received in evidence in the proceeding.

Since any settlement requires the consent of all the interested parties, all interested parties or their representatives with authority to bind the parties must be present in the courtroom. In those cases which require consent of an insurance carrier to arrive at a settlement, an authorized claims or insurance representative of the carrier, who is fully familiar with the case and who has full authority to settle the case, must also be present in the courtroom.

"Full Authority" is defined as authority to pay the last settlement demand. The insurance carrier's attendance may, at the discretion of the judge, be excused upon prior written application to the court if, (1) the carrier has no California claims office or representative, and (2) the carrier has an authorized claims or insurance representative with full authority to settle available by telephone during the settlement conference. Counsel attending the conference must be completely familiar with the facts of the case and the law applicable thereto.

It is the intent of the court to explore the case in depth; therefore, counsel will be expected to be fully prepared on all aspects of the litigation. Compliance with these requirements and complete

cooperation between counsel and the court are essential to make the settlement conference productive. (07/01/97) (Revised 01/01/07, 01/01/09, 01/01/16)

Rule 607 - Continuances; Taking a Matter Off Calendar

- (a) Matters Set for Hearing - Matters set for hearing may be continued with agreement from opposing parties or counsel and permission from the calendar clerk. A written stipulation by the parties or counsel must be sent to the calendar clerk. No such matter will be continued more than two times or within 24 hours of the time set for hearing without a specific order of the court.

If the parties do not agree, the party seeking a continuance can do so on a noticed motion or by a motion made at the time of hearing which the court may grant for good cause shown and upon such terms as the court in its discretion may impose. Only the moving party will be allowed to take a matter off calendar. The request must be in writing. No matter will be taken off calendar by any party once a tentative ruling has been issued.

- (b) Matters Set for Trial - Continuances of all matters set for trial, including short cause matters, will be granted by the judge assigned to hear the case only upon an affirmative showing of good cause within the meaning of California Rules of Court, rule 3.1332. If necessary and justified, the moving party on a motion to continue may seek an order by an ex parte hearing under California Rules of Court, rules 3.1332 and 3.1200, et. seq.

Appearances are required on all motions and requests to continue trial dates so that a new trial date can be established if the motion or request is granted. It is the policy of the court to be extremely strict in granting continuances. No continuance will be granted in any event unless there is a factual showing of good cause for such continuance.

- (c) Designation of Trial Counsel - Where there is more than one attorney in a firm, the unavailability of the particular attorney who intends to try the case will not be considered good cause for a continuance unless, (1) trial counsel is designated by giving notice to the court and to all parties within 30 days of the case management conference, or (2) all trial attorneys in the firm are in trial on the assigned trial date.
- (d) Notice of Case Disposition - All parties must strictly comply with California Rules of Court, rule 3.1385 to notify the court of settlement or stay of any pending cases. The parties must also notify the court if there is a dismissal or any other event or circumstance that would vacate the trial date. (07/01/97) (Revised 01/01/07, 01/01/09)

Rule 608 - Pretrial Motions - In Limine and Evidentiary Hearings

- (a) In cases estimated for five or more days of trial, counsel must file and serve at least five court days prior to trial date, all motions expected to be made prior to trial or during trial. The document must be properly captioned, must succinctly state the nature of the motion or evidence question with a citation to appropriate code or case law, and must set forth the specific trial court action requested and the facts relied upon to justify the request. An

estimate of the time necessary for the hearing of such motions must be set forth on the caption page covering the motions. All documents filed pursuant to these requirements must be filed with the superior court clerk with a separate copy directed to trial court chambers. Failure to file and serve these motions at least five court days before trial may be deemed a waiver of the moving party's right to make such motions.

- (b) All requests to determine evidentiary matters pursuant to Evidence Code section 402 which are anticipated to require more than a five (5) minute hearing shall be in writing and shall be scheduled for hearing such that they can be completed no later than the date set for the Readiness Conference. (07/01/97) (Revised 01/01/07, 01/01/09)

Rule 609 - Uninsured Motorist Cases

An action for personal injury or property damage against an uninsured defendant may be designated an "uninsured motorist case" upon application of the plaintiff filed within 30 days of the commencement of the action. California Rules of Court, rule 3.712, and Government Code section 68609.5 apply to uninsured motorist cases. Upon the filing of such an application, the court will set a hearing date six months from the date of the designation. At the hearing, the action will be dismissed (without prejudice) unless the court, for good cause, extends the time for resolution of the case. (01/01/03) (Revised 01/01/07)

Rule 610 - Bankruptcy

The court must be notified in writing immediately by any defendant filing a bankruptcy petition. The case will be stayed only as to the defendant filing for bankruptcy. In a multi-party case, the action will proceed against the remaining defendants unless the court is petitioned to stay the entire action, and the court issues an order staying the entire action. Any stayed matter will be set for review of its status in 12 months. (07/01/97) (Revised 01/01/07)

Rule 611 - Trial Readiness

- (a) In all civil cases, except short cause cases, counsel for all parties shall meet and confer at least five (5) court days prior to the date set for trial regarding the following:
 - (1) If a jury has been requested, counsel shall prepare and exchange proposed jury instructions. Requests for special instructions not contained in CACI must be accompanied with appropriate citations of cases supporting the request. Counsel shall confer with a view to present joint agreed jury instructions at the readiness conference.
 - (2) If no jury has been requested, counsel shall prepare and exchange trial briefs.
 - (3) Counsel shall prepare a joint binder of documentary exhibits, pre-marked, which the parties agree are admissible. These exhibits will be admitted in evidence at trial by stipulation. All other proposed exhibits shall be identified, pre-marked, and exchanged.

- (4) Counsel shall discuss matters to be addressed at the Readiness Conference.
- (b) Except for short cause cases, a trial readiness conference shall be heard before the assigned trial judge on the Friday prior to the date set for trial. Trial counsels are required to personally attend this conference. Matters to be considered at the readiness conference include jury instructions, exhibits, motions in limine, witnesses, and such other pre-trial matters as may be determined by the trial judge. (01/01/09)

CHAPTER 7 - CIVIL LAW AND MOTION

Rule 700 - Preemption

The Judicial Council preempted local court rules pursuant to California Rules of Court, rule 3.20 in all civil law and motion proceedings (California Rules of Court, rules 3.1100 et seq., for requirements in format and filing of papers and evidence in all motion practice).
(07/01/00) (Revised 01/01/03, 01/01/07)

Rule 701 - Adoption of Tentative Ruling System

The court offers a tentative ruling procedure in civil law and motion matters. The court follows the procedure set forth in rule 3.1308, subdivision (a)(1), of the California Rules of Court.

- (a) Time by which Tentative Rulings will be Available. Tentative rulings will be made available no later than 3:00 p.m. the court day before the scheduled hearing
- (b) Method for Obtaining Tentative Rulings. Tentative rulings may be obtained by the following methods:
 - (1) Telephoning the court at (559) 737-4339; or
 - (2) Visiting the court's website at <https://www.tulare.courts.ca.gov/general-information/tentative-rulings>.
- (c) Notice of Oral Argument Required if Court has Not Directed Argument. If the court has not directed argument, oral argument shall be permitted only if a party notifies all other parties and the court by 4:00 p.m. on the court day before the hearing of the party's intention to appear. The tentative ruling will become the ruling of the court if the court has not directed oral argument by its tentative ruling and notice of intent to appear has not been given.
- (d) Manner of Notice of Party's Intention to Appear. Notice of a party's intention to appear under subdivision (c) shall be given as follows:
 - (1) *Notice to Other Parties.* A party must notify all other parties by telephone or in person.
 - (2) *Notice to the Court.* A party must notify the court by one of the following methods:
 - i. By telephoning (559) 730-5010;
 - ii. By facsimile to (559) 733-6774; or
 - iii. By email to research_attorney@tulare.courts.ca.gov.

(07/01/97) (Revised 01/01/07, 07/01/17, 07/01/25).

Rule 702 - Once Tentative Ruling Has Issued, Party Cannot Take a Matter Off Calendar

A request to take a matter off calendar requires 24-hour notice, or a court order (Super. Ct. Tulare County, Local Rules, rule 607(a)). No matter will be taken off calendar by any party after the tentative ruling has issued. (07/01/00) (Revised 01/01/07)

Rule 703 - Courtesy Copy to Research Attorney - Omitted (7/1/2018)

Rule 704 - Scheduling Civil Ex Parte Hearings

Ex parte civil matters may be heard any day of the week, pursuant to the judge's schedule at a time designated by the judge assigned to hear the case. It is the responsibility of the attorney wishing to set a matter for ex parte consideration to contact the judge's clerk to reserve the date and time for the hearing. All papers must be filed with the court by 10:00 a.m. on the day before the hearing date, in addition to compliance with California Rules of Court, rule 3.1200-3.1207.

In the event the assigned judge is not available, the moving party is directed to contact the Court's Administrative Office to determine which judge will hear the ex parte application. The moving party will then contact the clerk of that judge to reserve the date and time for hearing, in addition to compliance with our local rule and with California Rules of Court, rule 3.1200-3.1207. (01/01/03) (Revised 01/01/07, 07/01/11)

Rule 705 - Judicial Notice Request

The California Rule of Court regarding Judicial Notice is set forth in rule 3.1306(c). Even though the rule only requires the party to have the court's file available at the hearing if the material is part of a file in the court in which the matter is being heard, the court requests you also copy and attach this material. Many times the case has become voluminous, and the documents are in multiple files. It is much more efficient for counsel to make the documents available by copies attached than for the clerk to deliver multiple files to the hearing. Since this court has adopted a tentative ruling system, failure to attach a copy may preclude the court from considering the material if the file is only provided at the actual hearing. (07/01/00) (Revised 01/01/03, 01/01/07)

Rule 706 - Guardian Ad Litem Appointments and Compromise of Minors' Claims

Petitions for Appointment of a "Guardian ad Litem" must use the Judicial Council mandatory forms. The forms are available in the clerk's office in room 201 of the Visalia courthouse and on the Web at <https://www.courts.ca.gov>.

Minors' compromises must be submitted on the Judicial Council mandatory forms and must include the proposed order on the Judicial Council form (also see Super. Ct. Tulare County, Local Rules, rule 707).

Without good cause shown, it will be counsel's responsibility to file an acknowledgment of receipt on the Judicial Council form within two weeks after the "Order Approving Minor's Compromise" has been entered.

Attorney fees in minor's compromise cases must follow California Rules of Court, rule 7.955.

Except as set forth above, hearings on approval of compromises of minors, conservatees, and incompetent persons will be held in open court. After hearing, if the court orders the proceeds deposited in a bank, trust company, or savings and loan association, the order approving the compromise will provide as follows: "A certified copy of this order will be delivered to the manager of the bank, trust company, or savings and loan association together with the sum to be deposited therein, and a written receipt of said bank, trust company, or savings and loan association acknowledging receipt of said sum will forthwith be filed with the superior court clerk." In cases involving minors, the order must contain the date when the minor will attain the age of 18 years and a direction to the bank, trust company, or savings and loan association to release on such date all funds to the minor without further order of the court.

Withdrawals from a minor's blocked account will only be permitted for specific and limited purposes for which a parent/guardian is not financially capable and obligated to pay (for example, orthodontic work and tuition above the high school level). However, if both parents are too ill to work or both have been unemployed and there are no funds other than those of the minor, the court may permit the use of some of the monies, but only for necessities of the child. Any request for an order to withdraw funds from a blocked account will be carefully scrutinized by the court. Within 15 days from the date of an order to withdraw funds, the parent/guardian must file with the court a "Certificate Accounting for Funds Withdrawn From Minor's Account." A court-approved form for this certificate will be attached to a copy of the authorizing order to aid the parent/guardian in complying with this requirement. Failure to file a certificate can result in the court's refusal to allow future withdrawals of funds, as well as possible contempt proceedings against the parent/guardian for failure to comply with the court order. (01/01/03) (Revised 01/01/07, 07/01/11, 01/01/2020)

Rule 707 - Affirmative Duty to Explore Annuity for Minor's Compromise

The party seeking a minor's compromise has an affirmative duty to the child, and must consider an annuity for the child. Any party not obtaining an annuity for the child's proceeds must explain to the court why an annuity has not been considered, or if considered, why an annuity was not in the child's best interest. (01/01/03) (Revised 01/01/07)

Rule 708 - Attorney Fees on a Default Action on Note or Contract

The schedule for attorney fees on a default action on a note or contract is set forth in Appendix 8. Any request for attorney fees on default to be issued by the clerk must be accompanied by a declaration from the attorney that he will accept the amount as set forth in the schedule in Appendix 8. If no declaration is attached, no fees will be awarded unless the attorney sets a hearing before a judge. (01/01/03) (Revised 01/01/07)

Rule 709 - Actions Arising Under The California Environmental Quality Act
(Mandate actions under Public Resources Code sections 21000 et seq. [CEQA])

- (a) Where Filed - Mandamus actions challenging an agency decision under the California Environmental Quality Act (Pub. Resources Code, §§ 21000 et seq.) must be filed in the civil clerk's office of the Visalia Superior Court. Each action must be accompanied by an initial filing form utilized by the court and must designate the action as Environmental Law-CEQA (Pub. Resources Code, §§ 21167.1 et seq.), and must be assigned to the designated CEQA department for all purposes.
- (b) Mediation – In accordance with Government Code section 66031, the parties may elect to mediate a CEQA action. They shall notify the court of the election at the trial setting conference.
- (c) The Administrative Record - The administrative record shall be completed in accordance with Public Resources Code section 21167.6, to the extent applicable, and rules 3.2205 through 3.2208 of the California Rules of Court, and any other applicable law.

The party preparing the administrative record must prepare an electronic version of the record in conformity with rule 3.2207 of the California Rules of Court, which requirements include, *inter alia*, that the electronic version of the record include electronic bookmarks that identify each part of the record and clearly state the volume and page numbers contained in each part of the record, and be capable of full text searching. It is strongly encouraged that the electronic version of the index required under rule 3.2205(b) of the California Rules of Court include hyperlinks to the indexed documents.

Notwithstanding the foregoing, unless otherwise required by law, any document that is part of the administrative record and for which it is not feasible to create an electronic version may be provided in paper format only. "Not feasible" means that it would be reduced in size or otherwise altered to such an extent that it would not be easily readable.

- (d) Requesting Hearing; Establishing the Briefing Schedule; Trial Setting - Petitioner must request a hearing within 90 days of filing the petition in accordance with Public Resources Code section 21167.4.

Ordinarily, the court will not establish a briefing schedule or set a hearing date prior to confirming that the final version of the administrative record has been lodged with the court. In the absence of good cause, the court will require completion of briefing within a period of 90 days from the later of (i) the date the final version of the administrative record has been lodged with the court and (ii) the date the request for hearing is filed; and the hearing shall be set, to the extent feasible, on a date not more than 30 days after the completion of briefing as ordered by the court.

Stipulations that resolve issues relating to completion of the administrative record, and as to appropriate briefing deadlines and the scheduling of hearing, are encouraged. Parties are generally expected to confer early and to cooperate in good faith to ensure expeditious

determination of the matter, with due consideration for the complexity of the issues and the volume of material to be reviewed in the administrative record (and other evidence, if any).

- (e) Appendix of Excerpts with Briefs – Each party filing a brief must prepare and lodge with that brief an appendix of excerpts containing the documents or pages of the administrative record cited in that brief.
- (f) Settlement Meeting - The initial notice required by Public Resources Code section 21167.8 will provide that, if the parties agree, the first meeting will be continued so as to take place no later than 35 days after the administrative record is served. If the parties do not agree to this continued first meeting date, then the first meeting will take place in accordance with Public Resources Code section 21167.8, and a second meeting is ordered to take place within five days after the Record is served. The parties must agree as to the time and place of any meeting pursuant to Public Resources Code section 21167.8. Other meetings may be scheduled by the parties.
- (g) Statement of Issues – The parties are required by Public Resources Code section 21167.8, subdivision (f), and the court will not waive this requirement pursuant to stipulation. No pleading or document other than the statement of issues required by subdivision (f) of section 21167.8 shall be deemed to constitute a statement of issues for the purposes of that subdivision, though the statements of issues must be consistent with, and may not expand on, the scope of the pleadings. The statement of issues must identify those portions of the administrative record that are directly related to the issues identified therein.
- (h) Trial Notebook - Petitioner must prepare two trial notebooks (one for the judge and one for the research attorney), which must be filed with the designated CEQA department 14 days before the date of the hearing. The trial notebooks must consist of the petition, the answer(s), the briefs, the statement of issues, and any other document(s) agreed upon by the parties. Additionally, each party must file an exhibit notebook which must contain only the pages of the administrative record to which they have referred in their briefs.
- (i) Tentative Rulings – In most cases, the court shall post a tentative ruling in accordance with Local Rule 701 and the procedures under that rule shall, in that event, apply.

CHAPTER 8 - CRIMINAL TRIALS AND PRETRIAL MATTERS

Rule 800 - Placing of Matters on Calendar

No arraignments on original or amended information or indictments, and/or misdemeanor complaints will be placed on calendar with less than two days prior notice to the court administrator or calendar clerk.

The deadline for filing documents related to persons in custody for felony and/or misdemeanor charges are as follows:

For Misdemeanor and/or Felony matters to be heard on the same day calendar at 1:00 p.m., **documents must be filed before 10:00 a.m.**

Where documents have not been filed by 10:00 a.m., Felony matters subject to Penal Code 667.5 may be heard on the same day calendar at 3:00 p.m. **only if documents are filed by 2:00 p.m.**

Where **documents are filed after 2:00 p.m.**, Felony and Misdemeanor matters may be heard the following day at 1:30 p.m. (07/01/97) (Revised 01/01/07, 01/01/20)

Rule 801 - Copy of Pleadings to be Delivered to Trial Judge

In any pre-assigned criminal case, counsel must submit two days before the hearing a copy of all pleadings to the assigned judge by delivering a copy to room 303 at the Visalia courthouse, and to the clerk of the court in the other court locations. (01/01/03) (Revised 01/01/07)

Rule 802 - Setting for Trial and Pretrial Motions in Felony Cases

Upon the taking of a defendant's plea of not guilty in felony cases, the judge will set the date for trial. The judge will also set a date for a pretrial conference and will announce the last date for hearing further pretrial motions. Except for motions of a constitutional dimension and 1538.5 motions, motions made after that date will not be heard. No special motions will be set or heard after the pretrial conference date except upon an affirmative showing of good cause in a written declaration. The court may impose sanctions against any attorney unreasonably delaying the bringing of any pretrial motion including 1538.5 motions and motions of a constitutional dimension. (07/01/97) (Revised 01/01/07)

Rule 803 - Criminal Law and Motion

Except those matters specifically assigned pursuant to the Judicial Assignments Order, criminal law and motion matters will be heard at 8:30 a.m. on those days designated by the department to which the case has been assigned unless otherwise scheduled by the assigned judge. (01/01/07) (Revised 07/01/11)

Rule 804 - Pretrial Motions

All pretrial motions, including motions for defense attorney fees and costs, will be heard in the department to which the case was assigned for all purposes pursuant to the Judicial Assignments Order in the Visalia Division or to the judge to whom the motion was assigned in the Porterville and Tulare Courts. (07/01/97) (Revised 01/01/07, 07/01/11)

Rule 805 - Presentation, Filing, and Motion Requirements

All motions must be in writing and must comply with California Rules of Court as to motion practice (Cal. Rules of Court, rule 4.111 under rules for criminal cases in superior court). Motions to set aside an indictment or information must set forth with particularity the claimed deficiencies in the transcript or the irregularities in the proceedings. Any motions made after the date set for the bringing of motions must be presumed to be unreasonably delayed, and the party bringing the same will have the burden of showing good cause for such delay. (07/01/00) (Revised 01/01/07)

Rule 806 - Ex Parte Hearing for Order Shortening Time

If a hearing on a motion is needed sooner than the 10 days prescribed by California Rules of Court, rule 4.111 under rules for criminal cases in superior court, counsel should apply ex parte to the department where the case is assigned for an order shortening time. If possible, counsel should obtain opposing counsel's stipulation and attach that to the application. The application may be typed at the end of the notice of motion or on a separate sheet attached to and served with the moving papers. The application should be accompanied by a declaration (Cal. Rules of Court, rule 3.1204 for civil motions). Because applications for orders shortening time are made ex parte, counsel must notice opposing counsel of the ex parte hearing, and serve him or her with the papers when possible, and provide proof of that notice and/or service in their declaration (Cal. Rules of Court, rule 3.1200-3.1207). (01/01/07)

Rule 807 - Application for Modification of Sentence or Probation Terms

Modification motions must be in writing and directed to the sentencing department. . . No person will be transported to court for consideration of any such application unless the judge has ordered the defendant's appearance prior to the hearing. Such an application may be rejected without hearing if the judge finds that it fails to show good cause for any such modification. Notice of such application must be given to the opposing counsel at least 10 days prior to the hearing date. Such motions may also be granted ex parte (Super. Ct. Tulare County, Local Rules, rule 806 and Cal. Rules of Court, rule 3.1200-3.1207) by the court upon a showing of good cause. (07/01/97) (Revised 01/01/07, 07/01/11)

Rule 808 - Pretrial Conferences in Felony Cases, Proposed Jury Instructions, and Verdict Forms

The assigned judge will schedule pretrial readiness conferences in compliance with California Rules of Court, rule 4.112.

All requests for jury instructions and proposed verdict forms and copies of proposed instructions and verdict forms will be provided by counsel. Requests for special instructions not contained in CALCRIM must be accompanied with appropriate citations of cases supporting the request. A list of proposed jury instructions and proposed verdict forms must be filed with the clerk as ordered by the judge and/or if not so ordered, no later than the pretrial readiness conference (before the jury panel is summoned). (07/01/97) (Revised 01/01/07, 01/01/09)

Rule 809 - Extended Hearing

When a criminal law and motion matter is expected to take more than 30 minutes the court may schedule the motion on a date convenient to all parties. The matter will be handled in accordance with the judge assigned for all purposes in the Visalia Division or with the assigned judge in the Porterville and Tulare courts. (07/01/97) (Revised 01/01/07, 07/01/11)

Rule 810 - Criminal Trials

- (a) Voir Dire - Voir dire examination will be conducted in accordance with the provisions of the Code of Civil Procedure section 223.
- (b) Alternate Jurors - Alternate jurors will be selected in compliance with Code of Civil Procedure section 234.
- (c) Exhibits - Maps and diagrams should be prepared in advance. A lay person should not be asked to draw a map or diagram in court. Lay witnesses may place markings on maps and diagrams.
- (d) Witnesses - Each attorney is responsible for having all witnesses available at the time their testimony is required. No trial will be delayed because of incorrect scheduling of witnesses unless counsel can show the court that (1) due diligence was exercised in attempting to secure the witness's presence, and (2) the witness's presence is necessary to ensure a fair trial. If a problem arises because of incorrect scheduling of witnesses, the court will usually permit the calling of witnesses out of order.
- (e) Transcription of Recorded Documents - Prior to the commencement of any trial, a typed transcription of any sound recording which counsel expects to offer into evidence must be prepared and must be certified by the preparer as containing a true transcription of such recorded statement. Failure to prepare such transcription will be presumptive cause for exclusion of such statement from evidence. (07/01/00) (Revised 01/01/07)

Rule 811 - Continuances of Criminal Matters

- (a) All applications for orders continuing a noticed motion must be addressed to the judge of the department to which the matter is assigned in the Porterville and Tulare courts, or to the judge to whom the case was assigned for all purposes in the Visalia Division, and must be considered in light of the requirements of this chapter.

- (b) Continuances of criminal pretrial conferences will not be granted except upon affirmative proof in open court that the ends of justice require a continuance within the meaning of Penal Code section 1050.
- (c) Continuances of criminal trials are governed by the provisions of Penal Code section 1050 and California Rules of Court, rule 4.113. It is the policy of this court that all felony criminal cases will be brought to trial within 60 days of the filing of the indictment or filing of the information. Time waivers are discouraged and will not be accepted, except in unusual and extreme circumstances.
- (c) All motions to continue trials, whether noticed and set for hearing or made the day of trial, must only be made and considered by the judge to whom the case was assigned. Failure to comply with Penal Code section 1050 regarding criminal trial continuances may subject counsel to sanctions under Penal Code section 1050. (07/01/97) (Revised 01/01/07, 07/01/11)

Rule 812 - Attorney's Appearance, Representation, and Withdrawal

Any appearance at any proceeding in the superior court will be considered a general appearance obligating the attorney to represent the defendant throughout the proceedings, except as may be otherwise provided by law.

The procedure for discharge, withdrawal, and substitution of retained counsel in criminal proceedings shall be the same as that for civil proceedings (*People v. Bouchard* (1957) 49 Cal. 2d 438, 441). California Rules of Court, rule 3.1362 sets forth the requirements for withdrawal and requires that the notice of motion, motion, declaration, and order be made on Judicial Council forms. The forms may be obtained from the Web at <https://www.courts.ca.gov>. (07/01/97) (Revised 01/01/07, 01/01/2020)

Rule 813 - Domestic Violence Coordination Rules

Domestic Violence Coordination Rules

Court Communication

It is this court's goal to coordinate domestic violence orders. It is the clerk's responsibility, prior to any hearing requesting protective orders and/or child custody and/or visitation orders, to determine if any such orders have already been issued as to the same parties or children in any other department by accessing the court's case management system and California Court Protective Order Registry (CCPOR). The court's criminal, family, and juvenile law departments shall use all reasonable efforts to communicate and exchange information with each other in regards to any domestic violence orders.

Avoiding Conflicting Orders

No department of the family or juvenile court shall knowingly issue a protective order or custody order in conflict with an order of the criminal court. If such an order is issued inadvertently, the orders of the criminal law proceeding shall have priority.

Modification of Criminal Orders

A court issuing a criminal protective order may, after review of any existing family or juvenile court orders, modify the criminal protective order to allow or restrict contact between the restrained person and his or her children, spouse, or other protected person.

Coexisting Criminal and Family or Juvenile Orders

A family or juvenile court order may coexist with a criminal court protective order, subject to the following:

- (a) Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain language either printed or handwritten that violates a “No Contact Order” issued by a criminal court.
- (b) Safety of all parties shall be the court’s paramount concern. The family or juvenile court order shall specify the time, day, place, and manner of transfer of the child, as provided in Family Code section 3100.

Issuance and Enforcement of Restraining Order

Upon granting of relief (through initial petition, modification, or termination), the clerk shall convey within 24 hours a file endorsed copy of the order to the Tulare County Sheriff’s Department for input into CLETS (a statewide computerized registration system for restraining orders), or to the court CLETS administrator when that program becomes operational.
(01/01/07) (Revised 07/01/11)

Rule 814 - Electronic Filing of Accusatory Pleadings

The court is only accepting electronic filing of accusatory pleadings. The filing must comply with Code of Civil Procedure section 1010.6 and California Rules of Court, rules 2.250 – 2.261, and Penal Code section 959.1. Where the electronic confirmation from the court shows that a document was electronically filed after 5:00 P.M. of any business day, such document will be deemed to have been filed on the next court day. (Code of Civil Procedure section 1010.6(a)(3) and (a)(4). California Rules of Court, rule 2.259(a)(1) and (a)(2).) (01/01/10)

CHAPTER 9 - FAMILY LAW MATTERS

Rule 900 - Subject Matter of the Family Law Division; Application of Rules; and Sanctions

- (a) All matters arising under the California Family Code are assigned to the Family Law Division. *Marvin* actions are not provided for under the Family Code, and therefore are to be filed in the Civil Division.
- (b) The Family Law Division consists of the Family Law and AB 1058 Child Support Courts.
- (c) These Rules supplement the California Rules of Court.
- (d) Failure to comply with these Rules may result in sanctions, including but not limited to, an award of attorney's fees and costs pursuant to California Rules of Court 5.14. All requests made for sanctions shall comply with California Rules of Court 5.14. (07/01/97) (Revised 01/01/07, 01/01/18, 07/01/24)

Rule 901 - Notice of Assignment and Setting Matters for Hearing

- (a) New cases are assigned to a specific judicial officer for all purposes, except as provided in subsection (b). The case assignment will be stamped on the first page of the petition when it is filed. All appearances in the case must be made before the assigned judicial officer, unless otherwise ordered. Upon resolution of all non-child support related issues, matters involving the Department of Child Support Services shall be transferred to the AB 1058 Commissioner to resolve remaining issues related to child support or establishment of parentage.
- (b) All matters involving the Department of Child Support Services shall be assigned to the AB 1058 Commissioner where the issues before the court are related only to establishing parentage and/or child support.
- (c) Any subsequently opened Family Law case involving the same parties will be assigned to the same department assigned to hear the existing Family Law case. (07/01/97) (Revised 01/01/07, 01/01/18, 07/01/24, 07/01/25)

Rule 902 - Presentation of Documents – Omitted (07/01/24)

Rule 902.1 - Rules Specific to Child Custody and Visitation Matters

- (a) A party must inform the court when a Child Welfare Services investigation is pending in any county or if a family member with custody or visitation rights is or was involved with CWS. No permanent order will be made until CWS completes its investigation and the findings of that investigation are made known to the court.
- (b) Consistent with the obligations of the court set forth at Family Code section 3042, Evidence Code section 765, and California Rules of Court 5.250 to ensure that the children's

participation in child custody and/or visitation litigation are consistent with the child's best interests before the child participates in litigation, attorneys representing parents in child custody and/or child visitation matters will have no direct contact with the minor children who are the subject of the litigation absent a court order authorizing the contact in advance of the contact. An attorney who has direct contact with a minor child or children who is or are subject to the litigation, either before or after the attorney has been retained by a parent, has an affirmative duty to promptly disclose that fact to the court and to the opposing party and his or her attorney.

Rule 929 - Family and Juvenile Court Management of Child Abuse Cases

It is the policy of this court to identify and coordinate custody proceedings involving the same child, which may appear in multiple legal settings. It is further the policy of the court to coordinate the efforts of the different court systems so that the child/ren's and family's needs are served and the resources of the family and the court are not wasted. To these ends the court and the agencies serving the court must cooperate to increase the exchange of information and to determine the most appropriate forum for the resolution of the issues relating to the child/ren. (Pursuant to Welfare & Institutions Code section 827.10.)

- (a) Report Pursuant to Penal Code section 11166 - If, during the pendency of a family law proceeding, a child abuse allegation against one of the child's parents comes to the attention of a Family Court Services staff member or other evaluator, that person must first determine whether the allegation must be reported to a child protection agency, pursuant to Penal Code section 11166. If that person determines the allegation does not fall within the description of section 11166, he/she need not make a report. However, any other person may report the allegation to a child protection agency.
- (b) Child Abuse Investigation - When the Health and Human Services Agency, Child Welfare Services Branch (CWS), receives a report of suspected child abuse during the pendency of a family law proceeding, it must investigate the matter immediately, or within 10 days, unless the judicial officer from family court requests an earlier investigation. CWS, and the law enforcement agency having jurisdiction, must coordinate their investigative efforts. If CWS becomes aware that a family law case is ongoing concerning a child who is the subject of a suspected child abuse investigation, CWS must inform Family Court Services of the pending investigation and any decisions it makes concerning the child abuse investigation. If CWS, or the law enforcement agency having jurisdiction, determines that further investigation is necessary, the agency making that determination must contact the other agency immediately so that all investigative efforts may be coordinated.
- (c) Welfare and Institutions Code section 329 Application - If CWS decides not to intervene, or fails to report to the reporting party within 10 days, any person may apply to the social worker pursuant to Welfare and Institutions Code section 329. In that application, the affiant must give notice and identifying information of any pending family law proceeding. A copy of the application must be sent to Family Court Services by the moving party. The social worker must respond to the application as soon as possible, or within three weeks after submission of the application (Welf. & Inst. Code, § 329). (See Appendix 4 for

application and order form or use Judicial Council form JV-212, Application to Review Decision by Social Worker Not to Commence Proceedings.)

- (d) Suspension of Family Court Proceedings Pursuant To Welfare and Institutions Code section 300 Petition Filed In Juvenile Court - Upon the filing of a petition pursuant to Welfare and Institutions Code section 300 in the juvenile court, all custody and visitation proceedings in the family court are suspended. The juvenile court clerk will determine whether there is a family law court file concerning the child/ren named in the petition. If there is a family law court file, the juvenile clerk will send a copy of the notice required under Welfare and Institutions Code section 335 to the family law court. Upon receipt of such notice, the family law clerk will place such notice in the family law file. Thereafter, custody and visitation issues will be determined by the juvenile court. The family court will resume jurisdiction over custody and visitation issues only after termination of jurisdiction of the juvenile court. Upon termination of jurisdiction of the juvenile court, the clerk of the juvenile court will lodge a copy of the order terminating jurisdiction and any juvenile court custody order in the family court file.
- (e) Review of Dependency Decision - If CWS decides to initiate dependency proceedings after reviewing the application under Welfare and Institutions Code section 329, any person may apply to the juvenile court to review that decision pursuant to Welfare and Institutions Code section 331. The application for court review must include a copy of the application made pursuant to Welfare and Institutions Code section 329. The juvenile court will rule on the application as soon as possible, and in no event later than 30 days after receipt of the application.
- (f) Informal Supervision Agreement - If, during the CWS worker's investigation, one or both parents reach an informal supervision agreement pursuant to Welfare and Institutions Code section 331, a copy of that agreement must be sent immediately to CWS, to Family Court Services, to family court, and to each parent.
- (g) Family Code section 3150 Appointment of Counsel - During family court proceedings in which allegations of child abuse have been made, the family court judge may appoint counsel for the child/ren (Fam. Code, § 3150) to protect the child/ren's interests and/or to expedite the policy stated herein and carry out the terms of this protocol.
- (h) Coordination of Cases - At any time during the process described herein, the supervising judges and bench officers of the family and juvenile courts are encouraged to discuss, generally, problems relating to the coordination of cases involving child abuse allegations. Nothing in this section will be construed to permit judicial officers to discuss the specific facts of any certain case. (07/01/00) (Revised 01/01/07, 07/01/11, 01/01/20, 07/01/24)

Rule 930 - Self Help Resource Center/Family Law Facilitator - Resource for People Who Represent Themselves

- (a) The services provided by the Family Law Facilitator are pursuant to the Family Law Facilitator Act, Family Code section 10000 et seq., including the additional duties set forth in Family Code section 10005.
- (b) To the extent adequate funding is provided, the duties set forth in Family Code section 10005, in addition to those mandated by Family Code section 10004, are adopted as a local rule of court. These duties include that the Family Law Facilitator's office may meet with litigants to draft stipulations to include all issues agreed to by the parties, which may include issues other than those specified in Family Code section 10003; and may prepare formal orders consistent with the court's announced order in cases where both parties are unrepresented.
- (c) The Family Law Facilitator has offices located at Room 203 of the Visalia courthouse located at 221 South Mooney Boulevard, Visalia, CA 93291, and at the Self Help Resource Center of the South County Justice Center located at 300 E. Rule 931 - Domestic Violence Coordination Rules

- (a) Prior to a judge reviewing a Request for Domestic Violence Restraining Order, a designated court employee shall conduct a criminal history search in the California Law Enforcement Telecommunications System (CLETS) to determine whether the party against whom the restraining order is sought has a prior restraining order, a violation of a restraining order, or a criminal history as specified in Family Code section 6306. The CLETS search will include a search of the databases set forth in Family Code section 6306(a). The employee conducting the search will submit to the judicial officer hearing the matter a written memorandum containing only the information reportable pursuant to Family Code section 6306. All additional provisions of Family Code section 6306 will apply, including but not limited to the provisions regarding judicial use of the information, confidentiality and destruction of information, and the parties' access to the information.

- (c) No department of the family or juvenile court shall knowingly issue a protective order or custody order in conflict with an order of the criminal court. If such an order issues inadvertently, the orders of the criminal law proceeding shall have priority. A court issuing a criminal protective order may, after review of any existing family or juvenile court orders,

modify the criminal protective order to allow or restrict contact between the restrained person and his or her children, spouse, or other protected person.

(d) A family or juvenile court order may coexist with a criminal court protective order, subject to the following:

(1) Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain either printed or handwritten language that violates a “no contact order” issued by a criminal court.

(2) Safety of all parties shall be the courts’ paramount concern. The family or juvenile court order shall specify the time, day, place, and manner of transfer of the child, as provided in Family Code section 3100.

(e) Upon granting of relief (through initial petition, modification, or termination), the clerk shall convey within 24 hours a file-endorsed copy of the order to the Tulare County Sheriff’s Department (TCSO) for input into CLETS (a statewide computerized registration system for restraining orders), or to the court CLETS administrator upon that program becoming operational. Rules of Court, rule 5.240(d)(3)).

The complaint must be filed and served on all counsel and self-represented parties, and a copy must be delivered to the courtroom clerk for the Presiding Family Law Judge. The court will respond to the complaint within 30 days, either by setting the matter for hearing or by issuing a written response. (Cross reference Local Rule 1007(q).) Supervised visitation providers have a number of legal responsibilities and duties under Family Code section 3200.5 and Standard 5.20 of the California Standards of Judicial Administration (Uniform Standards of Practice for Providers of Supervised Visitation). Providers should be familiar with all requirements. In addition, the following obligations must be satisfied.

When the Declaration is submitted before provision of initial supervised visitation in a case, a copy of the form must be submitted to the Director of Family Court Services. Every time the professional visitation provider submits a report to the court required by Standard

5.20(j)(3), a separate copy of the report must be submitted to the Director of Family Court Services.

- (b) Nonprofessional Supervised Visitation Providers' Obligations – If ordered by the court, the nonprofessional supervised visitation provider must sign the local court form Declaration of Supervised Visitation Provider (Nonprofessional) (FAM-013) stating that all requirements to be a nonprofessional provider have been met and that the provider has read the Judicial Council publication entitled “Supervised Visitation A Guide for Non-Professional Providers” or will have read it prior to visits beginning. See Cal. Rules of Court, subd. (d) of Standard 5.20. If ordered, the Declaration must also be submitted to the Director of Family Court Services. (01/01/22) (Revised 01/01/23, 07/01/24)

Rule 936 – Electronic Submission of Petitions for Domestic Violence Restraining Orders

Notwithstanding any provision to the contrary in these rules, petitions for domestic violence restraining orders and any filings related to those petitions may be submitted electronically during and after normal business hours. The deadlines applicable to any action taken by the court with respect to a petition filed directly with the court shall apply to any action taken with respect to a petition submitted electronically.

Instructions for electronic filings permitted under this rule are available on the court's website at <https://www.tulare.courts.ca.gov/online-services/efiling>.

Members of the public may contact the clerk's office at (559) 730-5000, option 4, to obtain information about electronic filing permitted under this rule. Rule 937 – Remote Appearances at Family Law Hearings, Including Petitions for Domestic Violence Restraining Orders

- (a) In accordance with Family Code section 6308, a party or witness may appear remotely at all hearings on a petition for a domestic violence restraining order.
- (b) In family law hearings other than evidentiary hearings and trials (as defined by California Rule of Court 3.672(c)(2)), parties and attorneys are authorized to appear remotely by video or telephone using the Court's designated remote appearance platform, unless the court requires an in-person appearance. If remote appearances are allowed under these rules, it is not necessary for a party or attorney to file a Notice of Remote Appearance (RA-010) before making the remote appearance.
- (c) Instructions for remote appearances permitted under this rule are available at the court's website at: <https://www.tulare.courts.ca.gov/online-services/request-remote-hearings>.
- (d) California Rule of Court 3.672(h) shall govern remote appearance requests for

evidentiary hearings and trials.

- (e) Members of the public may obtain assistance regarding remote appearances by calling (559) 738-2330. This telephone number shall be staffed 30 minutes before the start of the court session at which the hearing will take place, and during the court session. (07/01/2022) (Revised 07/01/24, 07/01/25)

Rule 938 – Evidentiary Hearings

(a) The term “evidentiary hearing” shall include trials and contested hearings.

(b) The following rules shall apply to the calling of witnesses:

1. Unless otherwise ordered by the judicial officer scheduled to hear the evidentiary hearing, Witness Lists shall be filed with the court and served to the opposing party or their attorney of record at least 10 calendar days prior to the date the evidentiary hearing is set to begin. A proof of service shall be filed confirming timely service of the Witness List.
2. Each party is responsible for having all witnesses available at the time their testimony is required. No trial will be delayed because of incorrect scheduling of witnesses unless the party can show the court that (1) due diligence was exercised in attempting to secure the witness’s presence, and (2) the witness’s presence is necessary to ensure a fair trial. If a problem arises because of incorrect scheduling of witnesses, the court will usually permit the calling of witnesses out of order.

(c) The following rules shall apply to presentation of evidence with exhibits:

1. Unless otherwise ordered by the judicial officer scheduled to hear the evidentiary hearing, at least 10 calendar days prior to the date the evidentiary hearing is set to begin each party must either:
 - a. File an Exhibit List with the court and serve a copy to the opposing party or their attorney of record; file and serve a proof of service confirming timely service of the Exhibit List; serve a copy of each exhibit listed in the Exhibit List to the opposing party or their attorney of record; and file a proof of service confirming timely service of the exhibits; or
 - b. Upload the party’s exhibits to the Omnigo Digital Portal, and serve the exhibits through the Digital Portal. If all exhibits are uploaded and served through the Digital Portal, the party must only print an exhibit list from the Digital Portal and file it with the court.
2. Exhibits shall not be filed with the Clerk’s Office.

3. Each party shall be responsible for bringing their exhibits to the evidentiary hearing to be marked as evidence.

(d) Audio and video recording evidence:

1. Any party who has not uploaded their exhibits to the Omnigo Digital Portal and intends to introduce video or audio recording evidence must bring that evidence to court preserved on a thumbdrive, compact disc (CD), or other similar storage device that can be marked as evidence. The party shall also bring a device to play the recordings on during the hearing that can be viewed by all parties and the judicial officer.
2. Transcription of Recorded Documents - Prior to the commencement of any trial, a typed transcription of any sound recording which a party expects to offer into evidence must be prepared and must be certified by the preparer as containing a true transcription of such recorded statement. Failure to prepare such transcription may be presumptive cause for exclusion of such statement from evidence.

CHAPTER 10 - PROBATE MATTERS

PART ONE. General

Rule 1000 - Calendar and Procedural Matters

- (a) Probate Calendar - All probate matters and adoptions will be assigned as set forth in the annual order of the court pursuant to The Superior Court of Tulare County, Local Rules, rule 300. Conservatorships under the Lanterman-Petris-Short Act (hereinafter “LPS”; Welf. & Inst. Code, § 5150 et seq.) will be set only on Tuesdays, and adoption proceedings on Thursdays or Fridays as directed by the court.
- (b) Filing Deadlines - All required moving pleadings in probate matters must be filed with the superior court clerk at least 15 days prior to the hearing date. All Probate Code and court ordered due dates for filing will be strictly observed (e.g., inventory and appraisements, accountings, status reports, receipts on blocked accounts, and receipts from personal representatives on deceased conservatees). Failure to comply with statutory or court requirements may result in imposition of surcharges, or other sanctions, without a showing of good cause.
- (c) Filing of Pleadings and Proposed Orders - All pleadings and orders submitted in probate matters must be captioned in conformity with rules 2.111 and 7.102 of the California Rules of Court, and other applicable law. The hearing date and time must be all in upper case.
 - (1) Supporting Papers - Supporting papers must be filed at least 10 days in advance of the scheduled hearing date. Proofs of publication may be filed within two days of the scheduled hearing date.
 - (2) Orders - Except in the case of confirmation of sales and contested matters, proposed orders should be lodged in the court case file at least five days in advance of the scheduled hearing date unless authorized by the court.
 - (3) Continuance on Untimely Filing - For failure to file supporting papers or other documents necessary to allow the court to rule on the particular matter, the court will automatically continue the matter for two weeks, without a showing of good cause for such failure.
 - (4) Duties and Liabilities of Personal Representative - As authorized by Probate Code section 8404(b), these rules require the personal representative’s birth date and driver’s license number on the Acknowledgment of Receipt of the Statement of Duties and Liabilities of Personal Representative. The Receipt shall be maintained in a confidential envelope in the court case and will not be released for viewing by the public.

(5) Inventory Form - All inventory and appraisals must be filed with the Judicial Council form caption page printed on pink paper and attachments on white paper.

(d) Disposition Requirements - In probate matters involving a decedent's estate where a personal representative has been appointed, the court will issue an Order to Show Cause (OSC) regarding the status of the case if a Judgment of Final Distribution, or a Report of Status of Administration, has not been filed within 12 months after probate letters issued in cases where a federal estate tax return is not required. In an estate for which a federal estate tax return is required, the Judgment of Final Distribution or Report of Status of Administration is to be filed within 18 months from the issuance of letters. At the OSC hearing, the court will establish appropriate time limits to accomplish a prompt disposition of the matter.

(e) Special Notice Situations

(1) Special Letters - Except in unusual cases, a party seeking special letters of administration, or temporary letters of guardianship or conservatorship, must give notice of the application to the surviving spouse, proposed ward, domestic partner, conservatee, or other persons who seek or might be expected to seek letters, and any other person who appears to be equitably entitled to notice. This notice must be given as required for other ex parte orders. (See California Rules of Court, rule 3.1200-3.1207.)

(2) Publication of Notice of Death - The published notice of death is sufficient to include only those instruments that are offered for probate and specifically referred to in the petition for which the notice is given. Any other will or codicil not specifically mentioned in such petition must be presented to the court in an amended petition or a second petition, and notice of that hearing must also be published.

(3) Mailing of Notice of Administration/Notice to Creditors - Notice to known creditors, apart from that published as otherwise prescribed by law, is required under Probate Code section 9050, and proof of said mailing must be filed with the court prior to the filing of any petition for final distribution. "Notice to Creditors" is a Judicial Council form bearing a proof of service on the reverse for completion and filing with the court. (07/01/97) (Revised 01/01/07, 01/01/16, 01/01/2020, 07/01/25)

Rule 1001 - Hearing Procedures

(a) Approval of Matters without Hearing - If, after reviewing the file, a matter is unopposed and approved by the court or approved by the court with modification accepted by counsel, no appearance of counsel will be necessary on the hearing date if written verification of agreement is filed by counsel. If, at the time set for hearing on any such pre-approved matter, any opposition to requested relief is offered in writing, the matter will automatically be continued two weeks and written notice will be given by the clerk

to petitioner's counsel of record, unless otherwise directed by the court. If the court refuses to approve the request without hearing due to the petitioner's failure to satisfy statutory or local rules requirements, the matter will be continued for two weeks, without a showing of good cause.

All matters will be posted on the court's web site at <https://www.tulare.courts.ca.gov> and on the appropriate links for the probate department the day before each hearing date.

- (b) Continuances - Continuances requested by counsel may be made only in court, or through the probate judge's clerk. A continuance will not be granted if there is opposing counsel unless a request is made in open court, or by written stipulation of all counsel, to a date arranged by the probate clerk. If the matter has been specially set, it may not be continued without the written stipulation of all counsel and the approval of the court scheduled to hear the matter. Without a showing of good cause, no more than three continuances will be granted before the matter is dropped from the calendar.

If a petition for probate of a will is called for a hearing, and an attorney or party appears and orally objects, the court will continue the hearing for a reasonable length of time, not exceeding four weeks, if the party objecting declares that a written contest will be filed. If such written contest is not actually filed prior to the continued date, the hearing will proceed as if no objection had been made. (07/01/00) (Revised 01/01/07, 07/01/25)

Rule 1002 - Contested Matters

- (a) Meet and Confer Requirement - If any probate petition is contested or opposed, the parties or attorneys must make a reasonable and good faith attempt to informally resolve the controversy, at a face-to-face conference, before any hearing of the contested petition. If there is no resolution, each party must file a Statement of Issues identifying every unresolved issue with references to any supporting evidence and memorandum of points and authorities on file, and an estimate of the time required for the hearing. Each party must also prepare and file, by declaration, an offer of proof listing the witnesses to be called and the nature and the general subject matter of their testimony. At least two court days before the hearing date, each party must either (1) notify the calendar clerk in the court administrator's office that the controversy has been resolved, or (2) file and serve the Statement of Issues. This rule will not apply to contested LPS conservatorship matters not involving jury trials and for which estimated time for hearing is 30 minutes or less.
- (b) Transfer to Trial Calendar - If the hearing on a contested matter is estimated to be one day or less, the hearing will usually be held before the probate judge on the regular probate calendar. If a hearing on a contested matter is estimated to be more than one day, and counsel appear at the probate calendar, the matter will be set by the probate judge on the trial calendar.
- (c) Objections - Any opponent to a petition, accounting, or other matter scheduled for hearing, except contested LPS conservatorship petitions, must file verified, written

objections stating the grounds for such objections prior to the hearing. Notice of any opposition and/or any intention to appear must be given to the attorney for petitioner at least two court days before the scheduled hearing date, unless good cause is shown.
(07/01/00) (Revised 01/01/07, 01/01/20)

Rule 1003 - Ex Parte Matters

Ex parte petitions will be heard in the court probate department according to the assigned probate judge's determination on any court day, subject to the probate judge's availability. In the probate judge's absence, ex parte matters will be heard by another judge. Appointments for ex parte hearings must be made through the clerk of the court (room 201 of the Visalia courthouse or the civil clerk at the South County Justice Center), and the court investigator's office must have 24-hour notice of an ex parte hearing on a temporary or general conservatorship for review of the documents and preparation of the Document Examiner's Checklist, if appropriate, before the ex parte conservatorship or guardianship matter will be heard.

No application for an ex parte order, or a temporary restraining order which has been previously rejected by a judge of this court, shall be presented to any other judge of this court without the judge to whom it is being presented being expressly informed of the circumstances of the previous application and the reasons for its denial.

- (a) Contents of Petition - All petitions for an ex parte order must be verified by the petitioner and must contain sufficient evidentiary facts of the emergency nature of the petition to justify issuing the order. Conclusions or statements of ultimate facts are not sufficient, and a foundation must be shown for the petitioner's personal knowledge.
- (b) Special Notice Allegation - All petitions for ex parte orders submitted after the initial appointment of the personal representative must contain a statement on special notices. The statement must either recite that no request for special notice is on file and in effect, or it must list the parties requesting special notice and have attached the specific waivers of notice by such parties or proof of service on such parties.
- (c) Notice to Counsel or Opposing Party - Where the emergency nature of the application is apparent and the court elects to consider the matter ex parte, but the need for an opportunity to be heard is also apparent, moving counsel must give at least six business hours' notice of the nature of the application and the time and place of the hearing to counsel for other interested parties or to unrepresented interested parties. Before the court will proceed with the hearing, moving counsel must submit a declaration to the court factually setting forth efforts to give such notice, or facts supporting the conclusion that it was impossible to give such notice.
- (d) Separate Order Must Accompany Petition - Except where a Judicial Council form is used, a petition for an ex parte order must be accompanied by a separate order complete in itself. It is not sufficient for such order to merely provide that the application has been granted, or that the sale of property or security set forth in the petition has been approved.

- (e) Sale of Personal Property: Ex parte petitions for approval of sale of depreciating or perishable personal property pursuant to Probate Code section 10000 et seq. must set forth the appraised value of such property. Ex parte petitions for the sale of securities must set forth the established stock or bond exchange applicable to the sale, or if there is no such exchange, then the amount of the minimum sales price must be stated. (07/01/00) (Revised 01/01/07, 01/01/20)

Rule 1004 - Probate Referee Procedures

- (a) Appointment of Probate Referee – The State Controller’s office maintains a list of approved probate referees in each county. Applications for appointment of one of the approved probate referees for Tulare County may be filed with original petitions or moving papers. If a referee is not appointed on the order for probate, an original and one copy of an application for appointment of a referee must be filed with the clerk. Such application should not be made earlier than the time at which the order of appointment of executor, administrator, guardian, or conservator is submitted.
- (b) Submission of Inventory - All inventories and appraisals for sales (whether initial or subsequent) must be received from the appointed referee and filed with the clerk of the court at least two weeks prior to any court appearance involving a sale or distribution of any assets contained in such inventory and appraisal.
- (c) Statement Regarding Bond - Items 5 through 8 of the “Inventory and Appraisal Form” (DE-160) must be fully completed as to the particulars of the bond, or assurance to the estate, in all matters requiring the filing of an inventory and appraisal except for Spousal Property Petitions and Summary Administration proceedings under Probate Code section 13100 et seq. (07/01/97) (Revised 01/01/07)

Rule 1005 - Accountings and Final Distributions

- (a) General Requirements - The format for all accountings filed in probate proceedings, including guardianship, conservatorship, and decedent’s estates and trust accounts, must be in conformance with Probate Code section 10900 et seq. and the materials set forth in the following continuing education of the bar publications: California Decedent Estates Practices, California Conservatorships, and California Trust Administration. All accountings must set forth the beginning and ending dates of the accounting period, contain a summary or recapitulation of all charges and credits to the fiduciary, and be presented in a standard financial statement format entitled, “Summary of Account.” (See Prob. Code, § 10900 for proper format.) The “Summary of Account” must be included in the body of the petition, or incorporated by reference, and charges and credits must balance.
- (b) Supplemental and Amended Accounts - A supplemental accounting in a decedent’s estate must include only receipts and disbursements occurring since the ending date of the last filed accounting. A supplemental account is not to be used to amend or correct the last filed account. An “Amended Accounting” must be filed to change the last accounting

filed. Any supplemental or amended accounting must be noticed for hearing, unless the court by order dispenses with notice.

- (c) Waiver of Accounting - Even though an accounting has been waived, the report that is made in lieu thereof must state how much is to be paid to the attorney and the representative and set forth the manner in which such compensation is calculated. The report must also clearly identify the assets in the estate on hand at the end of the accounting period. "Waivers of Accounting on Final Distribution" must comply with Probate Code section 10954. Applications for "Waiver of Accounting" must be included in the caption of the Petition and in the Notice of Hearing.
- (d) Preliminary and/or Final Distribution Requests - In any request for distribution, sufficient facts must be set forth as to known creditors' claims, contingent claims, administration expenses, taxes, projected fees and commissions, and other necessary information, in order for the court to determine that the estate is solvent and that the distribution may be made as prayed. It is not sufficient to merely state that all claims have been paid. The claims presented must be listed, showing the claimant, the amount claimed, and the disposition of each claim. If any claim has been rejected, the date of service of the notice of rejection of the claim must be stated. The allegations regarding disposition of all claims must appear in the petition for final distribution even though such allegations may have appeared in whole or in part in prior petitions. A request for preliminary distribution must also indicate why the estate is not in a condition to be closed.
- (e) Distribution Petitions and Orders - A petition for distribution must describe in detail all property to be distributed either in the body of the petition, in the prayer, or by an Account Summary incorporated in the petition by reference. An order of distribution must be drafted so that it is complete without reference to the petition, and without reference to any documents which are not part of the order. Complete legal descriptions of all assets and the full names of all distributees must be set forth in the order, not attached thereto. Nothing shall follow the signature of the judge. (07/01/97) (Revised 01/01/07)

Rule 1006 - Family Allowance

Before an inventory is filed, the court may order a family allowance, as provided in Probate Code sections 6540, 6541, and 6542. If a petition for a family allowance order is filed more than six months after the personal representative has been appointed, or after the inventory has been filed, or is a petition for a second or increased allowance, it must be noticed and placed on the calendar. Such orders will be limited to a definite period, usually not to exceed 12 months. It is the court's policy not to make orders for family allowance for an unlimited period.

If any estate is being administered under the Independent Administration of Estates Act, the personal representative may pay a family allowance without prior court order by following the Notice of Proposed Action procedure as set forth in the Probate Code. (07/01/97) (Revised 01/01/07)

Rule 1014 - Independent Exercise of Powers

The conservator or guardian has broad powers to act for the conservatee's or ward's benefit under Probate Code sections 2400 through 2586. If necessity requires a grant of independent powers under Probate Code sections 2590 through 2595, the court will generally limit such grant to specific factual situations. The following rules will apply to all cases involving such independent powers:

- (a) Temporary Conservatorship/Guardianship - Independent powers will be granted to a temporary conservator or guardian only in unusual situations upon a showing of good cause.
- (b) Factual Showing - The court will require a factual showing, by verified petition, affidavit, or declaration by the petitioner that (1) the power requested is needed to administer the estate or protect the conservatee/ward; and (2) the granting of such power would be to the advantage, benefit, and in the best interests of the estate and/or the conservatee/ward.
- (c) Specific Enumeration of Powers - Each power must be described in detail by quoting the specific language of the subsection enumerating the requested power. It is not sufficient to incorporate by reference Probate Code section 2591 in the petition.
- (d) Real Property Description - Where the power to sell real property is requested, and the property which may be sold includes the conservatee's home or former home, this fact must be specifically disclosed to the court in the petition.

Rule 1018 - Accountings for Conservatorships and Guardianships

Accountings of conservators and guardians must follow the format prescribed in these rules for decedents’ estates and in Probate Code section 2620. Reports of conservators and guardians must contain the current address and phone number of the conservatee or ward, as well as of the conservator or guardian. Any change of address should also be noted in the petition, or in any separate pleading, at the time the change is made.

- (a) Adequacy of Bond - Reports of conservators and guardians, at the annual and biannual reviews, must state the amount of the current bond (or bonds in the event two or more bonds are on file) and state whether any additional bonds are necessary to protect unblocked personal property plus one year’s estimated income. Each report should also show any blocked bank accounts or assets impounded with a depository. Any significant changes in the value of assets should be reported, together with the effect on the adequacy of the bond. The

conservator must consider the possible need for reappraisal and inform the court of any such need.

- (b) The Inventory and Appraisal and the Final Accounting of the estate – The I&A and Final accounting must be filed (Probate Code 2610(a) and are not waived with a Waiver of Accounting unless otherwise ordered by the Court.

If the document examiner has reviewed the accounting and submitted comments to the court, that review shall be provided to the public guardian no later than five days prior to the scheduled or continued hearing date. If an accounting is not filed as required, the court will issue and serve an Order to Show Cause why the accounting has not been filed.
- (d) Waiver of Accountings - Except as expressly provided in the Probate Code, the probate court will not approve any request or petition for waiver of any accounting or of a final accounting upon the death of the conservatee or ward, termination of conservatorship or if the conservator resigns or is removed.
- (e) An accounting waiver in conservatorships and guardianships for small estates may be approved at the court's discretion under the provisions of Probate Code section 2628, provided that (1) such waiver was previously approved in an initial filing; or (2) a verified petition in support of the waiver is filed and noticed for hearing.
- (f) If accountings have been waived, the court will require that they be reinstated if circumstances of the estate change. (07/01/97) (Revised 01/01/07, 01/01/09, 01/01/16)

(01/01/03) (Revised 01/01/03)

Rule 1020 - Final Distribution in Conservatorships and Guardianships

- (a) Death of Conservatee or Ward - A petition for final distribution upon the death of a conservatee or ward will be approved only after appointment of a personal representative of the conservatee's or ward's estate, or under other provisions for disposition pursuant to Probate Code section 2631(b) (regarding small estates). The petition must identify the personal representative and the court and case number of the probate proceeding for the decedent. Code, §§ 13000 et seq.).

- (b) Investigator's Assessment - Prior to the granting of a Petition for Termination of a conservatorship, the Court will determine that the court investigator's assessment for services rendered to the conservatorship estate has been paid. (07/01/97) (Revised 01/01/07, 01/01/09)

Rule 1021 - Limited Conservatorships

The involvement of a developmentally disabled conservatee must be clearly set forth in all conservatorship and guardianship petitions and accountings. Any conservatorship proceeding requiring a regional center report must be set at least 30 days after mailing notice of the proceeding to the regional center, to allow the regional center report to be filed prior to the hearing. The form attached as Appendix 6 may be photocopied and utilized to facilitate ordering the regional center report and appointment of the public defender to represent the conservatee.

- (a) Review of General Conservatorships - In existing general conservatorships involving a developmentally disabled conservatee, the court may direct that a new petition for conservatorship be filed under the limited conservatorship code provisions.
- (b) Accountings - Any accounting required in LPS or limited conservatorship matters must comply with the accounting requirements in other Tulare County conservatorship estate matters unless otherwise directed by the department designated to hear the LPS calendar.

If the conservatee's assets meet the criteria for waiver of accounting as set forth in the Probate Code, a conservatorship shall be of the person only and any income shall be handled through a representative payee, if appropriate.

- (c) Closed Status Reports - Reports by a regional center and the court investigator, and other documents or materials containing sensitive information filed in conservatorship files, must be maintained in a confidential envelope in the court case file with disclosure only to those persons authorized to receive such reports, as specified under Probate Code section 1826, subdivision (n), or to authorized persons pursuant to court order. All of the foregoing must be evidenced on the face of, or by attachment to, the plan.

In connection with the plan for review of the progress of the treatment, an individualized treatment plan must specify (a) the planned frequency of review of the conservatee's progress under the plan, including review of the use of prescribed medication and its effects on the conservatee, and by what professional persons such review must be undertaken; and the planned frequency of physical contact with and observation of the conservatee in placement by the conservator.

Each individualized treatment plan must be approved by a professional person who has knowledge, training, professional qualifications and skill necessary to make the determinations mandated by Welfare and Institutions Code section 5352.6. - (c) The court will set for hearing and review the progress of the LPS conservatee and the conservator in implementing the treatment plan and the conservatee's progress in treatment. This must be set forth in a written report to be filed with the court at least two weeks prior to the hearing with copies to be furnished to counsel for the conservator, the conservatee, and the county patient's rights advocate. Such report must be reviewed with the conservatee. The conservatee's response to such review, and any request for amendment to the treatment plan, must be reported to the court. The written review report must also incorporate the views of any family members interested in the conservatee's welfare as to whether the treatment services specified in the plan have in fact been provided and whether progress has been made in achieving the treatment plan goals.

Notice of such hearing must be given to the conservatee, conservatee's counsel, and interested relatives who must be advised of their right to be personally present at such hearing. The conservator must provide for the conservatee's personal presence at the review hearing unless personally waived in writing by the conservatee and the conservatee's counsel, and approved by the court.

- (d) The individualized treatment plan filed with the court must also be provided to counsel for the conservator, the conservatee, and the county patient’s rights advocate, and must contain proof that they have been so provided. All treatment plans and review reports must prominently advise the conservatee of the name, address, telephone, and fax number to the patient’s rights advocate. The decision must be written and must include a statement of the evidence relied upon and the reasons for the decision. (See Exhibit 2, a mandatory court form entitled “Application for 72-Hour Detention;” Exhibit 3, a mandatory court form entitled “Notification of Certification Intensive Treatment.” (11/08/01) (Revised 01/01/07, 01/01/09)

Rule 1041 - Certification Review Hearing Finding Contested by Writ of Habeas Corpus

Contesting the mental health hearing officer’s certification review hearing findings or physician findings under Welfare and Institutions Code sections 5250 or 5270.15 must be performed using the Judicial Council Form for writ of habeas corpus. (See Exhibit 1, a mandatory court form entitled “Petition for a Writ of Habeas Corpus.”) The clerk will assign a case number, open an LPS file, and notify all persons entitled to notice of the hearing.

Hearings will be conducted within two court days of the filing of the writ at the Tulare County Superior Court, Visalia Division, as stated in The Superior Court of Tulare County, Local Rules, rule 1034. (11/08/01) (Revised 01/01/07, 07/01/25)

LPS Determination of Capacity of Mental Health Patients Re: Consent to Administration of Anti-Psychotic Medication (*Riese* Hearing)

Rule 1042 - Scope and Purpose

The following procedures are intended to implement the requirements of *Riese v. St. Mary’s Hospital* (1987) 209 Cal.App.3d 1303, and Welfare and Institutions Code sections 5332 et seq. They apply to patients, both adults and minors, who are being treated in public or private hospitals, and who are being detained pursuant to Welfare and Institutions Code sections 5150 (72-hour hold); 5250 (14-day hold); 5260; 5270.15 (30-day hold); 5350; or 5353 et seq. (temporary conservatorship). In those cases in which a temporary conservator has been given authority to consent to medication, a review of that grant of authority may be made under these procedures or through a writ of habeas corpus. (11/08/01) (Revised 01/01/07)

Rule 1043 - Petition

When the treating physician has determined that treatment of the patient’s condition requires the administration of anti-psychotic medication, and the patient has refused to consent to the medication, the treating physician may petition the court for a legal determination as to whether the patient is capable of giving or withholding informed consent. (11/08/01) (Revised 01/01/07)

Rule 1044 - Documents

To obtain determination of the patient’s capacity to give or withhold informed consent to treatment by anti-psychotic medication, the treating physician must complete, sign, and date the “Petition of Treating Physician Regarding Capacity to Consent or Refuse Anti-psychotic Medication.” The petition must include a section called “Treating Physician’s Declaration

Regarding Capacity to Consent to or Refuse Anti-psychotic Medication.” These forms must be delivered to, or faxed to, the court clerk assigned to mental health matters in order to calendar a hearing. A patient may waive his or her right to counsel. The hearing officer will take a written waiver. (See Exhibit 4, a mandatory court form entitled “Waiver of Physician’s Declaration for Representation at Medication Capacity Hearing.” (11/08/01) (Revised 01/01/07, 01/01/2020)

Rule 1045 - Calendaring Hearings

It is assumed that time is of the essence in each *Riese* hearing. The physician or treating facility must deliver or fax the forms to the court clerk assigned to mental health matters in order to calendar a hearing. The clerk will calendar all hearings upon receipt of the requisite forms. Whenever possible, the hearing will be set within two court days. Notice is to be given to the approved hearing officer by the clerk. The physician or treating facility must notify counsel for the facility of the need for an interpreter when one is needed at the hearing (*Riese v. St. Mary’s Hospital and Medical Center* (1987) 209 Cal. App. 3d 1303). (11/08/01) (Revised 01/01/07)

Rule 1046 - Interpreter Services

All hearings in which interpreters are required must be conducted through court certified interpreters and arranged by the facility unless not available, in which case the court or hearing officer may use a competent interpreter. (11/08/01) (Revised 01/01/07)

Rule 1047 - Attorney Duties

The patient’s attorney, or patient’s rights advocate (if a waiver is obtained), must meet with the patient as far in advance of the hearing as possible to determine the patient’s position with respect to the proposed anti-psychotic medication. If the patient consents to the administration of anti-psychotic medication prior to the hearing, it will be the responsibility of the patient’s attorney, or the patient’s rights advocate, to notify the mental health hearing officer promptly, so the hearing may be canceled and unnecessary travel and expense may be avoided. (11/08/01) (Revised 01/01/07)

Rule 1048 - Patient Representation

Patients will be represented by the public defender, or the patient’s rights advocate, unless private counsel is retained by the patient. (11/08/01) (Revised 01/01/07)

Rule 1049 - Treating Physician/Facility Counsel

The physician, or counsel for the facility, must present the petition and declaration as well as any oral or documentary evidence at the time of the hearing. (11/08/01) (Revised 01/01/07)

Rule 1050 - Surroundings of Hearing

Hearings must be held in surroundings which allow for quietness and a reasonable degree of confidentiality. Whenever possible, the hearings will be held at the facility where the patient is

located. In any event, the hearing will be held as close to that facility as is practicable under the circumstances. (11/08/01) (Revised 01/01/07)

Rule 1051 - Burden

The burden must be on the physician or treating facility to establish by clear and convincing evidence that the patient is incapable of giving or withholding informed consent to the administration of anti-psychotic medication (*Riese v. St. Mary's Hospital and Medical Center* (1987) 209 Cal. App. 3d 1303). (11/08/01) (Revised 01/01/07)

Rule 1052 - Determination of Capacity

In determining the patient's capacity to give or withhold informed consent, the hearing officer will consider (1) whether the patient is aware of their mental condition, (2) whether the patient has been informed of and is able to understand the benefits and the risks of, as well as the alternatives to, the proposed medication, and (3) whether the patient is able to understand and to knowingly and intelligently evaluate the information required to be given patients whose informed consent is sought (Welf. & Inst. Code, § 5326.2) and otherwise participate in the treatment decision by means of rational thought processes. Documentation by the hearing officer and orders will be made on the mandatory court form entitled "Medication Capacity Hearing Record Orders" (Exhibit 1-B). (11/08/01) (Revised 01/01/07, 01/01/2020)

Rule 1053 - Patient Presence

The patient must have the right to be present at the hearing, and through counsel (or the patient's rights advocate), to present evidence and to cross examine witnesses at the hearing. However, the patient may choose not to attend the hearing. (11/08/01) (Revised 01/01/07)

Rule 1054 - Access to Records

The hearing officer must have access to, and may consider, the relevant medical records of the patient as well as the petition and declaration of the physician in reaching the legal determination of the patient's capacity to give or withhold informed consent. (11/08/01) (Revised 01/01/07)

Rule 1055 - Continuance of Hearings

Upon a showing of good cause and at the discretion of the hearing officer, a hearing may be continued pursuant to Welfare and Institutions Code section 5334(a). (11/08/01) (Revised 01/01/07)

Rule 1056 - Determination

At the conclusion of the hearing, the mental health hearing officer will make a legal determination whether the patient is capable of giving or withholding informed consent to the administration of anti-psychotic medication. A copy of the decision by the mental health hearing officer must be filed with the court clerk assigned to mental health matters on the mandatory

court form entitled “Medication Capacity Hearing Record” (Exhibit 4). (11/08/01) (Revised 01/01/07)

Rule 1057 - Confidentiality

The proceedings under these rules, and all records of these proceedings, will be confidential as provided in Welfare and Institutions Code section 5328. (11/08/01) (Revised 01/01/07)

Rule 1058 - *Riese* Medication Capacity Appeals

Appeals of *Riese* hearings must be filed in superior court using the mandatory court forms entitled “Appeal of Capacity Decision – Patient,” or “Appeal of Capacity Decision – Physician.” (See Exhibits 6 and 7.) The clerk will assign a case number, open an LPS file, and notify all persons entitled to notice of the hearing.

Hearings will be conducted within two days of the filing of the appeal.

- Petitions filed on Mondays and Tuesdays will be heard on Wednesdays.
- Petitions filed on Wednesdays and Thursdays will be heard on Fridays.
- Petitions filed on Fridays will be heard on Mondays. (11/08/01) (Revised 01/01/07)

PART FOUR. Compensation of Fiduciaries and Attorneys

Rule 1059 - Compensation of Fiduciaries and Attorneys

Other than statutory fees and commissions in decedent estate proceedings, the Probate Code provides generally that fees, commissions, and compensation to fiduciaries and their attorney must be “just and reasonable” in amount. The court will make a determination of what is just and reasonable based on the information supplied to the court in the petition requesting allowance of fees or commissions. The petition must be properly captioned, including a reference to the fee request, and it must include an explanation of how the fees or commissions were calculated. Information must be provided in detailed, but brief and organized form, including (1) date(s) of service, (2) nature of service rendered, (3) hours, and fractions of hours, of service rendered, (4) identity of person rendering services, and (5) the hourly rate charged for each person rendering services. Copies of a computerized billing statement will not fulfill the requirements hereunder unless such statement contains all such information and is legible.

- (a) Compliance - All requests for fees and commissions in decedents’ estates and in guardianship, conservatorship, and trust proceedings must be submitted in strict compliance with these rules. Requests that do not comply will be automatically continued one time for a minimum period of two weeks to permit the filing of supplemental or amended pleadings.

Caution: Oral testimony or representations will not be accepted on uncontested fee matters, except as may be allowed by the court upon showing of good cause.

- (b) Payment of Fees by Assignment of Property - Petitions for assignment of property to fiduciaries or their attorneys in place of fees or commissions will not ordinarily be approved.
- (c) Paralegal Compensation - Compensation for services performed by a paralegal under an attorney's direction and supervision may be allowed by the court in appropriate cases. No paralegal compensation will be paid from a decedent's guardianship or conservatorship estate without prior court approval. Any petition requesting allowance of paralegal compensation must set forth the hours expended and nature of services performed, and the paralegal's hourly rate as well as the name and brief summary of the qualifications of the paralegal.
- (d) Prior Court Approval Required for all Fiduciary and Attorney Compensation - There must be no payment of any commissions or attorney fees from decedent's estate, guardianships, or conservatorships in advance of an authorizing court order. The probate court may, in its discretion, impose sanctions, order return of the fee or commission, or surcharge representatives or attorneys interest from the date of payment to the date of the order authorizing the same at the rate prescribed by Code of Civil Procedure section 685.010 for judgments, unless the written consents of all residuary devisees of a decedent's estate are filed with the court, and the court finds the amounts paid are reasonable and proper. Fees of trustees and their attorneys must be paid only after the services have been performed to which they relate.
- (e) Periodic Payments - Periodic payment of fees or commissions may be made with prior court authority pursuant to the rules set forth in Probate Code sections 2640 to 2642.
- (f) Statutory Fees and Commissions in Decedents' Estates - Allowances on account of statutory fees or commissions will be granted by the court only in proportion to the work actually completed. Usually, the last 25 per cent of statutory fees or commissions will not be allowed before the approval of the final accounting and the decree of distribution, unless it can be shown that payment of a greater amount will benefit the estate. All or substantially all of the statutory fee or commission may be allowed when it is shown that all services have been performed, but that the estate has not closed because of reasons beyond the control of the petitioning party.
 - (1) Waiver of Accounting - If an accounting is waived, the statutory fee will ordinarily be based only upon the stated inventory, with no fees allowed on gains on sales or on receipts by the estate.
 - (2) Compensation for Ordinary Duties of Personal Representative - The personal representative may hire an attorney or other agent to perform duties of the representative, and separately compensate the attorney or agent from his or her own funds. If such contract is entered into with an attorney, the attorney must comply with rule 5-101 of the California Rules of Professional Conduct and enter into a written agreement setting forth the basis of compensation and the consent of the representative. The agreement will be subject to court approval, and must be filed with the court at the time the first petition for fees is filed.

- (g) Fees for Extraordinary Services in Decedents' Estates - Extraordinary fees may be allowed to the personal representative or attorney for their services relating to such matters as sales, leases, borrowing, litigation (including contested probate matters), tax matters (including preparation of returns, audits, and tax litigation), operating a business, heirship proceedings, and the performance of any other act resulting in extraordinary benefit to the estate requiring an extraordinary expenditure of time or other special services as may be necessary for the personal representative or attorney to perform. The court will consider the following facts, among others, in exercising its discretion to grant fees for extraordinary services:
- (1) Time Devoted to the Matter - The request for fees must indicate the time devoted to a matter, broken down between attorney and paralegal, indicating the hourly rate customarily charged for such services. The court must be provided with sufficient information in order to analyze the reasonableness of the rate and the amount of time devoted to the matter; however, the time and rate will not be the sole criteria, or considered as a minimum or maximum value, in determining extraordinary fees.
 - (2) Benefits Inured to the Estate - It is recognized that the representative or his or her attorney may occasionally be under a duty to pursue certain matters which do not enjoy a successful conclusion. Such services may nevertheless be compensable, but a successful conclusion is relevant.
 - (3) Amount of Money or Value of Property Involved in the Transaction - This is relevant to the degree of responsibility assumed and the care that will be given to the matter.
 - (4) Nature and Complexity - The court will consider whether the matter was routine or involved a unique matter of substantial legal or practical difficulty. The court will also consider whether the character of the services rendered (legal versus ministerial; special skills required), as well as the knowledge and experience of the personal representative or attorney. For example, if a real property sale involves dealing with numerous buyers, evaluation of exchanges, clearing title, or exposure to potential litigation, these facts should be listed in detail. Similarly, if the preparation of a Federal Estate Tax Return involves such other matters as elections under sections 303, 2032A, 6166, or 2056 of the Federal Estate and Gift Tax Code, each service should be separately described.
 - (5) Duration of the Probate Administration - Although it is the policy of the law to close an estate as promptly as possible, it occasionally is necessary for estates to remain open for lengthy periods of time. In that event, delay in compensation and the time value of money is relevant.
 - (6) Consideration of Statutory Fee - In requests for extraordinary fees, the amount of the statutory fee and the time required to administer all matters pertaining to the estate may, in certain cases, be considered as a factor in determining reasonable compensation for extraordinary services, if any. In all cases where statutory fees are considered, the normal services required to close an estate, subsequent to the date on which extraordinary fees or commissions are requested, will be considered.

- (7) Copies of Petition to Beneficiaries - Copies of petitions for allowance of fees for extraordinary services and commissions in decedents' estates in excess of 25 percent of statutory fees must be mailed to all persons entitled to receive notice of the hearing on the petition (except beneficiaries of specific gifts).
- (h) Compensation of Conservators, Guardians, and Their Legal Counsel - No compensation for any conservator or guardian, or their legal counsel, will be paid without court approval. Requests for allowance of attorney fees in conservatorships and guardianships must comply with the requirements set forth above in subsection (g) of this rule and will be similarly considered by the court.
- (1) Conservator and Guardian Fees - Any application for fees must be accompanied by a complete statement of facts upon which such application is based. This application must specify the amount requested, not merely "reasonable fees." The court will consider (1) relative value and gross income of the estate, (2) benefit or loss due to administration by the fiduciary, (3) any skill or experience required of the fiduciary, (4) the quality and extent of services performed by the fiduciary for the benefit of the conservatee or ward, (5) the amount of responsibility assumed and exercised, (6) time spent by the fiduciary for services benefiting conservatee or ward, or estate, (7) customary hourly charges for similar services of other private or professional fiduciaries, (8) character of work performed (i.e., whether routine or involving special skill or judgment), and (9) in the case of a final accounting, a reasonable estimate of work and time to complete estate affairs and distribution. Any application for fees made by the public guardian should be based upon the standing order for fees in effect at the time of the application.
- (2) Attorney Representing Conservatee or Ward - Upon written, verified application of the attorney at the conclusion of the hearing, compensation may be ordered to an attorney representing the conservatee or ward, unless the court requires a noticed petition.
- (3) Conservatorship/Guardianship Review of Legal Fees - If only attorney fees are requested, the petition must show that the conservator or guardian has been notified, and must reflect the fiduciary's approval or disapproval of the requested fees. (07/01/97) (Revised 01/01/07)

PART FIVE. Bonds

Rule 1060 - Bonds

In estates where a bond is not waived, the court encourages the use of blocked accounts with bank or savings association depositories for liquid assets. Normally in conservatorships and guardianships, only liquid assets necessary to meet the anticipated day-to-day expenses of the conservatee or ward and estate should be available to the conservator or guardian.

- (a) Waiver of Bond in Conservatorships and Guardianships - The court will not usually waive a bond for conservatorships or guardianships except (1) where the conservator is the spouse of conservatee, all or most of the property is shown to be community property, and the

community property may be excluded from estate administration, (2) in small estates under Probate Code section 2628, or (3) where the conservatee is present in court, is a competent person (as affirmatively shown by a physician's declaration), and gives informed consent to the bond waiver. In no event will a bond be waived in cases in which the proposed conservator is not the petitioner on the petition to establish the conservatorship.

(b) Reducing Bond through Use of Depository

- (1) Before Issuance of Letters - Unless otherwise ordered by the court, when assets are to be placed in a blocked account or depository, the receipt and agreement of the depository required by Probate Code sections 2328, 8401, 8483, and 9700 through 9705 must be filed prior to the issuance of letters. Proposed orders pertaining to blocked accounts at depositories should contain appropriate language to allow deposits in conformance with the foregoing code sections and Financial Code sections 764, 765, and 775.
 - (2) After Appointment - Bonds may be reduced at any time after appointment by an ex parte petition and order reducing bond, together with a receipt of a depository showing that assets in the amount of the requested reduction have been so deposited. Such a petition must set forth the assets remaining in the estate after excluding those held by depository, and it must appear that the reduced bond adequately covers the amount to be protected.
 - (3) Direct Transmittal to Depository - If the assets to be deposited are in the possession of a bank, savings and loan association, or trust company other than the named depository, the order should direct the entity in possession to deliver such assets directly to the named depository, and further direct the depository, on receiving such assets, to issue its receipt and agreement to the fiduciary (Fin. Code, §§ 764 and 765).
 - (4) Withdrawals or Releases from Depository - An order authorizing release of assets from a blocked account may be had ex parte. The petition should set forth the approximate value of the assets on hand, the approximate value of all assets under impound, the amount of the existing bond, and the purpose for which the withdrawal is being made. Where assets will be coming into or passing through the hands of the fiduciary so as to require an increase of bond, the fiduciary must set forth the information necessary to enable the court to determine the amount of the increase. The order may provide for funds to be paid directly to a taxing authority, or beneficiary, or other person entitled thereto.
- (d) Bond Modification - It is the duty of the fiduciary upon becoming aware that the bond is insufficient (e.g., on filing of an inventory or submitting an accounting), to apply immediately for an order increasing the bond. Such applications may be made ex parte. When the bond of a fiduciary must be increased, the court favors filing an additional bond rather than a substitute bond. When the fiduciary's bond must be decreased, the court favors using an order decreasing the liability on the existing bond, rather than a substitute bond.
(07/01/97) (Revised 01/01/07)

PART SIX. Decedent Estates

Rule 1061 - Sales of Real Property

When there is a successful overbid in open court on a sale of real property, counsel must complete, and the successful bidder must sign, an “Increased Bid in Open Court” form and file same before an order will be signed. (The form in Appendix 7 may be photocopied and used.)

- (a) No Commission; Special Situations - Except upon showing of good cause, no real estate commission will be allowed or credited to, or for the benefit of, a purchaser who is a licensed real estate broker or salesperson in any probate sale of real property, directly or indirectly. No real estate commission will be allowed or credited to, or for the benefit of, a personal representative or fiduciary in the subject probate proceedings who is a licensed real estate broker or salesperson in any probate sale of real property in the proceeding, directly or indirectly. The petition for confirmation of sale must state any known claim of the personal representative, fiduciary, or purchaser to all or any part of the proposed real estate commission, directly or indirectly.
- (b) Disputes Between Agents or Brokers Regarding Compensation - Should a dispute arise between agents or brokers seeking compensation upon the sale of real property under Probate Code section 10161 and/or sections 10162.5 through 10166, there will be a separate evidentiary hearing to resolve the dispute. Before the hearing, the agents or brokers, or their respective attorneys, must meet and confer (face-to-face) in a reasonable and good faith attempt to informally resolve the dispute. The court must be notified of the results of such attempt at least two court days before the hearing. The sale of real property may be confirmed at the hearing on the sale and need not be delayed by virtue of any dispute for compensation by or between real estate agents or brokers. (07/01/97) (Revised 01/01/07)

Rule 1062 - Claims of Personal Representative and Attorneys of Record

For any creditor’s claim brought by the personal representative or his/her attorney of record, noticed petition for approval must be filed and served on all persons whose interest might be affected by approval of the creditor’s claim at least 15 days before the hearing, except as provided below. The creditor’s claim must be complete with approval signed by all personal representatives in the proceeding. The petition must contain a factual statement relating to the solvency of the estate, including a summary of the nature and the amount of assets and all known indebtedness and taxes of the estate, whether absolute or contingent.

or (5) a claim is for a definite amount and is based upon a prior court order, which is attached to the creditor's claim. (07/01/97) (Revised 01/01/07)

PART SEVEN. Adoptions

Rule 1063 - Adoption Proceedings

- (a) All adoption hearings will be set by the calendar clerk of the court located in Room 201 of the Visalia Division or the civil clerk at the South County Justice Center. No hearings will be set unless there has been previously filed with the court all consents required by Family Code section 8604. No consents are required if (1) the parent is deceased; (2) the parental rights of the parent have terminated by a final court decision terminating parental rights; (3) there is a judicial determination that consent is not required pursuant to Family Code section 7662; or (4) there is a judicial determination that consent is not required pursuant to Family Code section 8606.

If it is alleged by the petitioner that consent of a parent is not required pursuant to Family Code sections 7662 or 8604, a judicial determination that consent is not required will be made at a judicial proceeding held prior to the adoption hearing. That judicial determination will be in the court's file prior to the adoption hearing. No judicial determination will be made that consent is not required pursuant to Family Code sections 7662 or 8604 without strict compliance with the notice requirements of Family Code sections 7662 or 8604(b). In cases falling within Family Code section 7662, the court will not issue an order dispensing with notice under Family Code section 7666(b) without a factual showing made by declaration under penalty of perjury that good faith attempts have been made to locate and give notice to the person to be noticed and that despite such efforts the petitioner has been unable to locate such person to give notice.

If it is judicially determined that a petition to terminate parental rights must be completed and granted before a petition for adoption can be granted, there must be an investigation and a report completed for the court. In the case of stepparent adoptions, the investigation and report are prepared by Family Court Services, room 203. In all other cases, the investigation and report are completed by the Adoptions Division of the Tulare County Health and Human Services Agency.

Forms that may be utilized to petition the court to determine necessity of consent in stepparent adoptions are available in the office of the clerk of the court, Room 201 of the Visalia Courthouse.

- (b) Except in the case of stepparent adoptions, no adoption will be set for hearing unless there has been previously filed with the court an accounting report as required by Family Code section 8610.
- (c) In cases in which the child(ren) to be adopted is twelve years of age or older, no adoption will be set for hearing unless there is lodged with the clerk a proposed consent form to be signed by the child in the court's presence.

- (d) The acknowledgment in writing that must be executed by the adopting parent or parents pursuant to Family Code section 8612(b) must be lodged with the clerk prior to the setting of any adoption hearing.
- (e) The proposed adoption decree must be lodged with the clerk prior to the granting of a hearing date. (07/01/00) (Revised 01/01/03, 01/01/07, 01/01/20, 07/01/20)

CHAPTER 11 - JUVENILE COURT

Rule 1100 - Presiding Judge and Hearing Officers

The presiding judge of the superior court shall assign a presiding judge of the juvenile court to manage the business of the juvenile delinquency and dependency court. All juvenile proceedings under Welfare and Institutions Code sections 300 and 601 et seq. shall be assigned by the presiding judge of the juvenile court. If the presiding judge of the juvenile court is not available, the presiding judge of the superior court shall designate another judge to manage the business of the juvenile court.

In addition to juvenile matters under Welfare and Institutions Code sections 300 et seq. and 601 et seq., guardianship petitions for minors who are dependents of the juvenile court must be presented either to the juvenile court judge or commissioner unless they are disqualified from hearing such application.

Juvenile dependency matters under Welfare and Institutions Code section 300 will be heard by judges, commissioners, or referees who have complied with the training recommendations and requirements under Welfare and Institutions Code section 304.7. (07/01/00) (Revised 01/01/07)

Rule 1101 - Juvenile Court Commissioners and Referees

In addition to the provisions of The Superior Court of Tulare County, Local Rules, rule 203, juvenile court commissioners and referees and their official acts will be governed as follows:

- (a) All orders made by a commissioner or referee will be final as set forth in Welfare and Institutions Code section 250.
- (b) Rehearing on any order made by a juvenile court commissioner or referee will be heard in accordance with the procedures set forth in Welfare and Institutions Code section 252.
- (c) Where the parties have stipulated that the commissioner or referee sits as a temporary judge, his/her orders will be final in the same manner as an order by a judge. (07/01/00) (Revised 01/01/07)

Rule 1102 – Location and Schedule of Juvenile Court

Juvenile delinquency and dependency court sessions are held at the Juvenile Justice Center located at 11200 Avenue 368, Visalia, CA 93291 and at the South County Justice Center located at 300 East Olive Avenue, Porterville, CA 93274.

All papers involving proceedings under Welfare and Institutions Code sections 300 and 602 shall be filed and maintained in the clerk's office of the Juvenile Justice Center located at 11200 Avenue 368, Visalia, CA 93291. (07/01/00) (Revised 01/01/07, 07/01/11, 01/01/19)

Rule 1103 - Filing of Documents

No document except original petitions filed pursuant to Welfare and Institutions Code sections 300 and 602 will be accepted by the court clerk for filing unless it sets forth on its face the case caption and is accompanied by a proof of service reflecting service on all counsel of record and parties not represented by counsel. (01/01/03) (Revised 01/01/07)

Rule 1104 - Motion Requirements

- (a) No noticed motion will be accepted by the county clerk unless it is accompanied by a proof of service.
- (b) All motions calendared in the juvenile court must comply with the requirements of the Code of Civil Procedure sections 1010 et seq. and California Rules of Court, rules 3.1110, 3.1113, 3.1115, 3.1320, and 5.544, except that written notice to opposing counsel and the court may be reduced to five court days, and any opposition must be filed and served two court days before the scheduled hearing. Prior to giving notice, the moving party must reserve the hearing date with the calendar clerk for the juvenile court.

Ex parte requests for relief from compliance with this rule may be granted only upon written application to the juvenile court judge or bench officer assigned to hear the matter, supported by affidavit showing good cause, and with at least four hours personal or telephonic notice of the time set for such ex parte application to all counsel appearing in the proceeding. Any request for such ex parte relief must also include an affidavit by requesting counsel that notice was given as required.

All documents must be typed or printed and must be punched with two holes at the top of each page.

Notwithstanding the foregoing requirements, motions to continue a hearing, brought under Welfare and Institutions Code section 352, are subject to the time limits set forth therein. Additionally, counsel for all parties to a proceeding may stipulate to a continuance, provided that such stipulations are submitted and approved by the court regularly hearing the matter at least two court days prior to the hearing. Such stipulations must establish the existence of good cause for continuance.

Papers that do not comply with these rules, the Code of Civil Procedure, and the California Rules of Court will not be considered by the court unless good cause is otherwise shown. (01/01/03) (Revised 07/01/00)

Rule 1105 - Documenting Notice of Hearings

In all juvenile dependency matters, Child Welfare Services (CWS) must file a single “Proof of Service Declaration” to show compliance with the legal notice requirements for each hearing. Judicial Council forms must be used by the agency internally to meet notice and Title IV-E requirements. (Forms are available on the Internet at <https://www.courts.ca.gov>.) A “Proof of Service Declaration” (see Appendix 2) must be signed, under penalty of perjury, indicating the following:

- (a) That a notice of hearing (e.g., Judicial Council Form JV-280 or JV-300) has been sent to each of the parties, any court appointed special advocate (CASA), the attorneys, and any Indian tribe, informing them of the nature of the proceeding;

- (d) An opposing party must present any written opposition to a request for ex parte orders to the court clerk of the juvenile division within four hours of receipt of notice. Rule 1110 - Discovery

The rules set forth herein will apply to juvenile court cases arising under Welfare and Institutions Code sections 300 or 601, as indicated below, and will equally apply to all parties and their counsel. This rule is intended to expand upon, rather than limit, California Rules of Court, rule 5.546.

(a) Timely Disclosure of Informal Discovery - Pre-hearing discovery must be initially conducted informally in cases arising under Welfare and Institutions Code sections 300 or 601. Except as protected by privilege, all relevant material must be disclosed in a timely fashion to all parties to the litigation (Cal. Rules of Court, rule 5.546).

(b) Motion to Compel Discovery - In cases arising under Welfare and Institutions Code sections 300 or 601, a party may bring a motion to compel discovery only after all informal means have been exhausted. A motion to compel discovery must be noticed and served in accordance with the requirements of The Superior Court of Tulare County, Local Rules, rule

1104. The motion must state the relevancy and materiality of the information sought and the reasons why informal discovery was not adequate to secure the information.

(c) No Civil Discovery Methods - Civil discovery methods, such as those set forth in the Code of Civil Procedure, do not apply in juvenile cases arising under Welfare and Institutions Code sections 300 or 601, without prior authorization from a bench officer.

(2) For adjudication within the statutory time, the jurisdiction/disposition report must be filed and served at least three court days prior to the hearing. (3) For all other hearings, the social worker's report must be served at least 10 court days prior to the hearing.

(4) All social worker reports may be mailed to counsel, delivered by personal service, or delivered by other means as agreed upon by counsel.

(5) In contested proceedings, the name of any experts to be called by any party, and copies of their reports, must be made available to all parties at least five court days before the hearing, except where there has been no time waiver and the need for an expert is not known, in which case the parties must exchange expert information at the earliest possible time.

(6) Except as provided elsewhere in these rules, mutual discovery, including names of witnesses and their addresses and telephone numbers, must be exchanged at least five court days before the hearing, except where there has been no time waiver, in which case the parties must exchange mutual discovery at the earliest possible time.

(7) Failure to provide timely exchange of information as required by this local rule will be grounds for any of the sanctions warranted under California Rules of Court, rule 5.546(j).

(e) Delinquency Proceedings:

The court rules regarding discovery as set forth in Penal Code sections 1054 - 1054.8 will apply to all delinquency proceedings. (07/01/00) (Revised 01/01/03, 01/01/07, 07/01/11)

All court personnel, attorneys appearing before the court, and court officers must be familiar with and observe these code and rule requirements. Only the presiding judge of the juvenile court, or a judicial officer designated by the presiding judge of the juvenile court, may order the release of information contained in a juvenile case file. Records in the possession of the Probation Department, the Child Welfare Services Agency, or contained in a juvenile court file, may not be obtained using a civil or criminal subpoena. Any party seeking access to such records with the intent to use them in connection with any civil or criminal proceeding must file a petition under Welfare and Institutions Code section 827 so as to protect the privacy interests involved in the juvenile records while complying with the discovery requirements of the civil or criminal proceeding. - (h) An explanation of how information obtained is to be used, including airing or publication dates;
- (i) Any other information which could be useful to the court in evaluating petitioner's request; and
- (j) A statement of whether the petitioner fully understands and accepts the provisions of Welfare and Institutions Code sections 825-830 and California Rules of Court, rule 5.552, regarding confidentiality.

A copy of the form must be provided to the Chief Probation Officer and/or Deputy Director of Child Welfare Services. Any objection by either Probation or Child Welfare Services must be communicated in writing to the presiding judge of the juvenile court within two court days of receipt of the form. The presiding judge of the juvenile court, or other bench officer as designated by the presiding judge, will review the request and any objection. The bench officer may grant the request and, if granted, will provide the media representative with the media order. The media order may specifically define the media contact. The media representative must review the order and must sign the designated order, agreeing to comply with the provisions of the order, prior to media access. Failure by the media representative to comply with the provisions of the order may subject the representative to contempt proceedings. (07/01/00) (Revised 01/01/07)

Rule 1114 - Inspection and Disclosure of Juvenile Court Records.

If any person authorized to inspect juvenile court records under Welfare and Institutions Code section 827(a)(1)(A)-(J) sees or becomes aware of information contained in the juvenile court records which is privileged or confidential pursuant to any other state law or federal law or regulation, that person must not further examine the file until a proper petition under Welfare and Institutions Code section 827 has been filed and the juvenile court has granted access to the entire file or made appropriate protective orders. (07/01/00) (Revised 01/01/07)

A new “Notification of Mailing Address” (JV-140 – available on the Internet at <https://www.courts.ca.gov>) must be completed by the parent and filed with the court clerk of the juvenile division whenever the parent wishes to change the permanent mailing address on file with the court. (01/01/07) (Revised 01/01/2020)

Rule 1117 - Motion to Challenge Legal Sufficiency of Petition

In any dependency proceeding, the court may entertain a pre-hearing challenge to the petition’s sufficiency by a motion akin to a demurrer. Such a motion may be made in writing or orally, but it must be made as early as possible in the proceedings. The court may rule on the motion at the hearing, or it may continue the hearing on the motion to another date in order to receive points and authorities from counsel. (01/01/03) (Revised 01/01/07)

Rule 1118 - Presentation of Evidence - Dependency Cases Only

- (a) **Offers of Proof:** The party presenting evidence may utilize, or the court may require, an offer of proof with regard to any witness. Where one party presents an offer of proof in lieu of testimony, the witness must nevertheless testify unless all parties stipulate to receiving evidence via an offer of proof.
- (b) **Hearsay Objections to Social Worker’s Report:** Any hearsay objections to the social worker’s report must be in writing, served and filed at least two court days before the hearing, except that in cases where the social worker’s report is not filed at least five court days prior to the hearing, the objecting party must file and serve his/her objections in writing at least one day prior to the hearing. (01/01/03) (Revised 01/01/07)

Rule 1119 - Modifications of Orders (Welf. & Inst. Code, §§ 386, 387, and 388, and Cal. Rules of Court, rules 5.560 and 5.570)

- (a) **More Restrictive Placement** - Any motion by petitioner to modify an existing order to a more restrictive placement will be implemented pursuant to Welfare and Institutions Code section 387 and California Rules of Court, rules 5.560(c) and 5.565. The court deems a move from foster care to a group home setting to be a more restrictive placement.
- (b) **Less Restrictive Placement** - Any motion by an interested party to modify the court’s orders to a less restrictive placement will follow the procedures outlined in Welfare and Institutions Code section 388 and California Rules of Court, rules 5.560(d) and 5.570.
- (c) **New Service Plan Requirements** - Any significant changes or additions to the service plan for parents/guardians must be submitted to them for approval before implementation. A parent

who disagrees with the new requirements may request a hearing before the court on the matter after filing appropriate noticed motion.

- (1) In non-emergency situations, the department must give notice at least five court days prior to the change in placement.
- (2) In non-emergency situations, prior to removal of a child from one county to another, the department must provide notice at 10 court days prior to the change in placement. Where the child is being returned to Tulare County from an out-of-county placement, the notice required is five court days.

- (4) Notice may be given in writing and/or orally by telephone. (01/01/03) (Revised 01/01/07)

Rule 1120 - Representation of Parties Relating to Dependency

(a) Experience, Training, and Education of Attorneys

- (1) General Competency Requirement - All court-appointed attorneys appearing in juvenile dependency proceedings must meet the minimum standards of competence herein set forth.
- (2) Standards of Education and Training - Each court-appointed attorney appearing in a dependency matter before the juvenile court must complete either of the following minimum training and educational requirements:
 - (A) Participated in at least eight hours of training or education in juvenile dependency law, which training must have included information on the applicable case law and statutes, the Rules of Court, Judicial Council forms, motions, writs, mediation, child development, child abuse and neglect, family reunification and preservation, restraining orders, rights of de facto parents, and reasonable efforts; or
 - (B) At least six months' experience in dependency proceedings in which the attorney has had primary responsibility for representation of his or her clients in said proceedings. In determining whether the attorney had demonstrated competence, the court will consider whether the attorney's performance has substantially complied with the requirements of these rules.

- (C) Each court-appointed attorney who practices before the juvenile dependency court must complete within every three-year period at least eight hours of continuing education related to dependency proceedings. Evidence of completion of the required number of hours of training or education must be retained by the attorney and may include a copy of a certificate of attendance issued by a California Mandatory Continuing Legal Education (MCLE) provider; a certificate of attendance issued by a professional organization which provides training and/or education for its members, whether or not it is an MCLE provider.

Attendance at a court sponsored or approved program will also fulfill this requirement.

- (D) The attorney's continuing training or education must be in the areas set forth in paragraph (a)(2) above, or in other areas related to juvenile dependency practice.
- (E) To enhance the practice of law before the juvenile dependency court of this county, and to recognize the unique qualities of juvenile dependency law, a standing committee of the juvenile court will review and recommend modifications to these rules in the area of training, education, and standards of representation.
- (F) Each court-appointed counsel, including those employed by county offices, must annually complete and file a "Certificate of Competency" (Appendix 3), and file it with the presiding judge of the juvenile court.

(3) Standards of Representation

- (A) To resolve disputed aspects of a case without a hearing, attorneys are expected to meet regularly with clients, including clients who are children, as well as to contact social workers (within the ethical confines of contact with a represented party) and other professionals associated with the client's case, and to work with other counsel.
- (B) An attorney representing a child must have contact with the client prior to each hearing. The attorney, or attorney's agent, must interview all children four years of age or older in person unless it is impracticable. Whenever possible, the child must be interviewed at the child's placement. The attorney or attorney's agent should also interview the child's caretaker (unless said caretaker is a party represented by counsel), particularly when the child is under four years of age. If the child's attorney becomes aware of an interest or right of the child to be protected or pursued in other judicial or administrative forums, counsel must notify the court immediately and seek instructions from the court. This includes, but is not limited to, pursuit of any tort claims available to the child (Cal. Rules of Court, rule 5.660).
- (C) Attorneys representing any party other than a child must interview the client at least once prior to the day of the jurisdictional hearing unless the client is unavailable.

Thereafter, the attorney or the attorney's agent must contact the client at least once prior to the day of each hearing unless that client is unavailable.

(b) Complaints

(1) Any party to a juvenile proceeding may lodge a written complaint with the court concerning the performance of his/her appointed attorney in a juvenile court proceeding as follows:

(A) Complaints or questions must initially be referred to that attorney's supervisor within the agency, association, or law firm appointed to represent the client.

(B) If the issue remains unresolved, or if there is no designated agency, association, or law firm appointed to represent the client, the party may submit a written complaint to the court in which the matter is pending. The court will, within 10 days, conduct its own review of the complaint or question which may include a hearing in chambers. The court may take any appropriate action required, including relieving counsel and appointing new counsel and/or holding a formal hearing on the matter. (07/01/00) (Revised 01/01/07)

Rule 1121 - Appointment for Children

The Tulare County Superior Court may enter into a contractual agreement with a qualified attorney or attorneys for the representation of dependent children. The agreement may provide that the attorney(s) so employed represent all children, unless the juvenile court determines the child would not benefit from the appointment of counsel as provided by Welfare and Institutions Code section 317(c). (01/01/03) (Revised 01/01/07)

Rule 1122 - Family and Juvenile Court Management of Child Abuse Cases (This rule is repeated in Family Law, rule 929)

It is the policy of the superior court to identify and coordinate custody proceedings involving the same child, which may appear in multiple legal settings. It is further the policy of the superior court to coordinate the efforts of the different court systems so that the child/ren's and family's needs are served and the resources of the family and the court are not wasted. To these ends, the superior court and the agencies serving the court must cooperate to increase the exchange of information and to determine the most appropriate forum for the resolution of the issues relating to the child/ren. (Pursuant to Welfare & Institutions Code section 827.10.)

(a) Report Pursuant to Penal Code section 11166 - If, during the pendency of a family law proceeding, a child abuse allegation against one of the child's parents comes to the attention of a Family Court Services staff member or other mediator or evaluator, that person must first determine whether the allegation must be reported to a child protection agency, pursuant to Penal Code section 11166. If that person determines the allegation does not fall within the description of section 11166, he/she need not make a report. However, any other person may report the allegation to a child protection agency.

- (b) Child Abuse Investigation - When the Health and Human Services Agency, Child Welfare Services Branch (CWS), receives a report of suspected child abuse during the pendency of a family law proceeding, it must investigate the matter immediately, or within 10 days, unless the judicial officer from family court requests an earlier investigation. CWS, and the law enforcement agency having jurisdiction, must coordinate their investigative efforts. If CWS becomes aware that a family law case is ongoing concerning a child who is the subject of a suspected child abuse investigation, CWS must inform Family Court Services of the pending investigation and any decisions it makes concerning the child abuse investigation. If CWS, or the law enforcement agency having jurisdiction, determines that further investigation is necessary, the agency making that determination must contact the other agency immediately so that all investigative efforts may be coordinated.
- (c) Welfare and Institutions Code section 329 Application - If CWS decides not to intervene, or fails to report to the reporting party within 10 days, any person may apply to the social worker pursuant to Welfare and Institutions Code section 329. In that application, the affiant must give notice and identifying information of any pending family law proceeding. A copy of the application must be sent to Family Court Services by the moving party. The social worker must respond to the application as soon as possible, or within three weeks after submission of the application (Welf. & Inst. Code, § 329). (See Appendix 4 for application and order form or use Judicial Council form JV-212, Application to Review Decision by Social Worker Not to Commence Proceedings.)
- (d) Suspension of Family Court Proceedings Pursuant To Welfare and Institutions Code section 300 Petition Filed In Juvenile Court - Upon the filing of a petition pursuant to Welfare and Institutions Code section 300 in the juvenile court, all custody and visitation proceedings in the family court are suspended. The juvenile court clerk will determine whether there is a family law court file concerning the child/ren named in the petition. If there is a family law court file, the juvenile clerk will send a copy of the notice required under Welfare and Institutions Code section 335 to the family law court. Upon receipt of such notice, the family law clerk will place such notice in the family law file. Thereafter, custody and visitation issues will be determined by the juvenile court. The family court will resume jurisdiction over custody and visitation issues only after termination of jurisdiction of the juvenile court. Upon termination of jurisdiction of the juvenile court, the clerk of the juvenile court will lodge a copy of the order terminating jurisdiction and any juvenile court custody order in the family court file.
- (e) Review of Dependency Decision - If CWS decides to initiate dependency proceedings after reviewing the application under Welfare and Institutions Code section 329, any person may apply to the juvenile court to review that decision pursuant to Welfare and Institutions Code section 331. The application for court review must include a copy of the application made pursuant to Welfare and Institutions Code section 329. The juvenile court will rule on the application as soon as possible, and in no event later than 30 days after receipt of the application.

- (f) Informal Supervision Agreement - If, during the CWS worker's investigation, one or both parents reach an informal supervision agreement pursuant to Welfare and Institutions Code section 331, a copy of that agreement must be sent immediately to CWS, to Family Court Services, to family court, and to each parent.
- (g) Family Code section 3150, Appointment of Counsel - During family court proceedings in which allegations of child abuse have been made, the family court judge may appoint counsel for the child/ren (Fam. Code, § 3150) to protect the child/ren's interests and/or to expedite the policy stated herein and carry out the terms of this protocol.
- (h) Coordination of Cases - At any time during the process described herein, the supervising judges and bench officers of the family and juvenile courts are encouraged to discuss, generally, problems relating to the coordination of cases involving child abuse allegations. Nothing in this section will be construed to permit judicial officers to discuss the specific facts of any certain case. (07/01/00) (Revised 01/01/07, 07/01/11, 01/01/20)

Rule 1123 - Juvenile Dependency, Juvenile Delinquency, Family, and Probate Courts Exchange of Information

This rule addresses the exchange of information between Family Court Services staff (FCS), Juvenile Probation Department staff (JPD), and the Child Welfare Services staff (CWS). The disclosure of information concerning children and their parents and caretakers by any of these agencies to each other is generally prohibited by law, unless specifically authorized by court rule or order. Nevertheless, a limited exchange of information about children or their parents or caretakers will serve the best interests of the child who is before the court and the administration of justice.

The court hereby finds that the best interest of children appearing before the juvenile and family courts, the public interest in avoiding duplication of effort by the courts and by the investigative agencies serving the juvenile and family courts, and the value of having relevant information gathered by a court or court-serving agency outweighs the confidentiality interests reflected in Penal Code sections 11167 and 11167.5, Welfare and Institutions Code sections 827 and 10850, Family Code section 1818, and therefore good cause exists for the following rule:

- (a) Abuse/Neglect - FCS and JPD staff may orally and in limited written form disclose to CWS staff who are investigating a suspected child abuse or neglect case the following information:
 - (1) Whether the child, his/her parents, guardians, or caretakers are or have been the subject of a custody, delinquency, or probate investigation, the findings and status of that investigation, the recommendations made or anticipated to be made to the court by FCS or JPD, and any court orders in existence with respect to the child, parents, guardians, or caretakers.
 - (2) Any statement made by the child or the child's parents, guardians, or caretakers which might bear upon the issue of the child's best interests in the pending child abuse or

neglect case. In addition, FCS or JPD staff may give to CWS staff who are investigating or supervising a suspected child abuse case a copy of any court orders.

(3) CWS may include this information in court reports and keep such information in their case files.

(b) Custody Disputes - JPD or CWS staff may orally (or in limited written form) disclose to FCS staff who are mediating or investigating a child custody dispute the following information:

(1) Whether the child, or his/her parents or caretaker, are or have been the subject of a child abuse, neglect, probate, or delinquency investigation, the findings and status of that investigation, the recommendations made or anticipated to be made to the court by CWS or JPD, and any court orders in existence with respect to the child, parents, guardian, or caretaker.

(2) Any statements made by the child or the child's parents, guardians, or caretakers which might bear upon the issue of the child's best interests in the pending family court matter. In addition, JPD or CWS may give to FCS staff who are investigating a child custody dispute a copy of any court orders.

(3) FCS may include this information in court reports and keep such information in their case files.

(c) Delinquency - FCS or CWS staff may orally (or in limited written form) disclose to JPD staff who are investigating a delinquency case the following information:

(1) Whether the child, or his/her parents or caretaker, are or have been the subject of a child abuse, neglect, custody, or probate investigation, the findings and status of that investigation, the recommendations made or anticipated to be made to the court by CWS or FCS staff, and any court orders in existence with respect to the child, parent, guardian, or caretaker.

(2) Any statements made by the child or the child's parents, guardians, or caretakers which might bear upon the issue of the proceeding. In addition, FCS and CWS staff may give to JPD staff who are investigating or supervising a delinquency matter a copy of any court orders.

(3) JPD may include this information in court reports and keep such information in their case files. (07/01/00) (Revised 01/01/07)

Rule 1124 - Exchange of Information among CWS, Service Providers, and Schools in Juvenile - Dependency Cases

This rule addresses the exchange of information among Child Welfare Services staff (CWS), any persons who are providing or have provided mental health, counseling, or medical treatment services to a parent, guardian, or child as a part of a child welfare services case plan ("Service

Providers”), and schools where any dependent child in the case is attending or has attended (“Schools”). The disclosure of confidential information among CWS, Service Providers, and Schools is generally prohibited by law, unless specifically authorized by written consent or by court rule or order. Nevertheless, an exchange of information about children and their parents or guardians as needed to implement, develop, and monitor the child welfare services case plan will serve the best interests of the child who is before the court and the administration of justice.

The court hereby finds that the best interest of children appearing before the juvenile courts and the value of having relevant information gathered by a court or court-serving agency outweighs the confidentiality interests reflected in Civil Code sections 56 et. seq., Welfare and Institutions Code sections 827, 4514, and 10850, 42 Code of Federal Regulations, part 2, and provisions providing for confidentiality of school records, including Education Code section 49602, and therefore good causes exists for the following rule:

With respect to each juvenile dependency case, CWS, all Service Providers, and all Schools holding records concerning any of the children in the case must mutually exchange information verbally and in writing as needed to assist in implementing, rendering, and monitoring the services identified in the case plan. All Service Providers and Schools at which the children attend, or have attended, are ordered to prepare and release to the social worker, all progress reports concerning the parent/guardian(s) and child(ren) in connection with services for education, counseling, training, mental health treatment, substance abuse, alcohol treatment, or medical treatment provided in connection with the service plan in the case. Any party who objects to the exchange of information as provided under this rule may seek a protective order by oral motion at any hearing or by bringing a formal motion. Rule 1125 - Domestic Violence Coordination Rules

Domestic Violence Coordination Rules

Court Communication

It is this court’s goal to coordinate domestic violence orders. It is the clerk’s responsibility, prior to any hearing requesting protective orders and/or child custody and/or visitation orders, to determine if any such orders have already been issued as to the same parties or children in any other department by accessing the court’s case management system and California Court Protective Order Registry (CCPOR). The court’s criminal, family, and juvenile law departments shall use all reasonable efforts to communicate and exchange information with each other in regards to any domestic violence orders.

Avoiding Conflicting Orders

No department of the family or juvenile court shall knowingly issue a protective order or custody order in conflict with an order of the criminal court. In the event such an order issues inadvertently, the orders of the criminal law proceeding shall have priority.

Modification of Criminal Orders

A court issuing a criminal protective order may, after review of any existing family or juvenile court orders, modify the criminal protective order to allow or restrict contact between the restrained person and his or her children, spouse, or other protected person.

Coexisting Criminal and Family or Juvenile Orders

A family or juvenile court order may coexist with a criminal court protective order, subject to the following:

- (a) Any order that permits contact between the restrained person and his or her children shall provide for the safe exchange of the children and shall not contain language either printed or handwritten that violates a “No Contact Order” issued by a criminal court.
- (b) Safety of all parties shall be the courts’ paramount concern. The family or juvenile court order shall specify the time, day, place, and manner of transfer of the child, as provided in Family Code section 3100.

Issuance and Enforcement of Restraining Order

Upon granting of relief (through initial petition, modification, or termination), the clerk shall convey within 24 hours a file-endorsed copy of the order to the Tulare County Sheriff’s Department (TCSO) for input into CLETS, a statewide computerized registration system for restraining orders, or to the court CLETS administrator upon that program becoming operational. Date: 10-4-2007

The Honorable Lloyd Hicks
Presiding Family Law Judge

TULARE COUNTY SUPERIOR COURT

**POLICY AND PROCEDURES ON REQUESTS FOR FUNDS AND PAYMENTS
IN CAPITAL CASES UNDER PENAL CODE SECTION 987.9 AND IN ALL
OTHER CRIMINAL CASES**

I. POLICY

Penal Code section 987.9 provides for authorization of funds for payments to investigators, experts and others that are reasonably necessary for preparation of the defense of indigents in capital cases. Section 987.9 is only applicable to murder cases in which the death penalty is sought, even though the offense charged is statutorily punishable by death. However, prosecutions under Penal Code section 190.05(a) (second degree murder with prior prison term for murder) are covered by section 987.9.

Additionally, as to *all* criminal cases (including those in which the death penalty is not sought) and juvenile cases an indigent defendant's or minor's (hereinafter referred to as defendant) right to counsel includes the right to use investigators, experts and others in the preparation of a defense pursuant to the federal Constitution's guaranty of the right to counsel and its due process clause (U.S. Constitution, 6th and 14th Amendments).

Review Judge: A judge assigned by the presiding judge of the Tulare County Superior Court will review all requests for funds submitted in death penalty cases under section 987.9. This judge shall be known as the "987.9 judge". (See exhibit one attached hereto for the name of the current 987.9 judge.)

The 987.9 judge will also review requests for funds for investigators and ancillary services in *all* criminal cases in which the death penalty is not sought. Requests in juvenile matters must be presented to the presiding judge of the Juvenile Court. *However, the judge where the matter is currently pending, and not the 987.9 judge, has the responsibility to review all requests for funds and payments to experts in cases not seeking the death penalty pursuant to Evidence Code section 730 or other applicable code section.*

Confidentiality: All requests for funds submitted to the 987.9 judge, and orders issued in response, shall be confidential and maintained in a case file that is separate from the criminal case. The confidential file shall have an independent file number and be known as the "987.9 file".

If a defendant waives his or her privilege of confidentiality by providing information on the record to a judge in a criminal department concerning his or her 987.9 file, the 987.9 judge may release information to the judge in the criminal department regarding the status and contents of requests and orders contained in the defendant's 987.9 file.

Revocation of Orders: *All orders authorizing funding for a pro-per defendant are immediately revoked and vacated upon termination of a defendant's pro-per status or resolution of the criminal or juvenile case.* The court will deny all requests for payment for work performed or services provided subsequent to the termination of a defendant's pro-per status or resolution of the criminal case unless pre-approved by the court.

The defendant shall immediately notify the 987.9 judge and judge in the pending criminal department if granted expert funding in a non death penalty case and all service providers of the termination of his or her pro-per status or resolution of the criminal case.

Additionally, all service providers shall verify a case is active and, if the defendant was pro-per when authorization for funding was approved, that the defendant continues to be pro-per prior to performing work or providing a service.

II. PROCEDURES

A. Request for Funds

Contents of Request: All initial requests for funds submitted by a defendant or defendant's counsel to the court shall be in writing and contain:

- 1) The name of the defendant, description of pending charges and criminal case number;
- 2) A detailed description of the service requested and the need for the service; and
- 3) A declaration signed under penalty of perjury by the defendant that lists the defendant's assets and liabilities and shows that he or she is indigent. Defendants who are represented by counsel shall use the Mandatory Judicial Council Form CR-115 entitled Defendant's Statement of Assets.

All subsequent requests for funds shall state:

- 1) the name of the defendant and the 987.9 file number instead of the criminal case number; and
- 2) a detailed description of the service and need for service.

Phone Cards: Requests for phone cards provided by the Tulare County Sheriff's Office to pro-per defendants who are in custody shall also state the amount of money the defendant requests per week for legal telephone calls.

Office Supplies: Requests for office supplies provided by the Tulare County Sheriff's Office to pro-per defendants who are in custody shall also state the tier level of supplies the defendant requests as follows:

- 1) Tier 1 for cases in which the death penalty is sought--supplies may be ordered up to the current limit set by the Sheriff's Office once per week;
- 2) Tier 2 for all other felony cases—supplies may be ordered up to the current limit bi-weekly; and

3) Tier 3 for misdemeanor cases—supplies may be ordered once a month.

Service Providers: Requests for funds for a service provider shall also state:

- 1) the name, address, and qualifications of the provider;
- 2) the proposed hourly rate to be paid for work performed; the rate shall not exceed \$50.00 per hour.
- 3) the number of hours anticipated for the work to be completed; and
- 4) the total fee for the work requested.

A request for funds for a private investigator shall also state the investigator's professional license number and the investigator's resume.

Orders: All requests for funds shall contain an original separate proposed order allowing for the request plus one copy and a self-addressed stamped envelope.

If the request is for a service provider, the proposed order shall state:

- 1) the name and address of the provider appointed;
- 2) the proposed hourly rate to be paid;
- 3) the number of work hours authorized; and
- 4) the total fee approved.

If the request is for a phone card, the proposed order shall state the amount of money authorized per week for the phone card; if the request is for office supplies, the proposed order shall state the tier level of supplies authorized.

If a request for funds is approved, the defendant or defendant's counsel shall provide a copy of the order approving the request and a copy of this policy to the provider authorized to receive the funds.

If the defendant or defendant's counsel submits additional copies of the proposed order, the clerk of the 987.9 judge will mail conformed copies of the order to the defendant or defendant's counsel

Presentation of Request: All requests for funds, **except for requests for expert funding in non death penalty cases**, shall be presented directly to Court Administration/Executive Assistant for the 987.9 judge. (See exhibit one attached hereto for the location of the clerk of the current 987.9 judge.) The request shall not be filed or lodged with the criminal clerks in Room 124. **Request for expert funding in non-death penalty cases shall be presented to the clerk of the judge in the pending criminal department.**

All requests to the 987.9 judge shall be contained in a sealed envelope marked confidential and addressed only to the 987.9 judge.

Approval of Request: The court will only approve requests for funds that are shown to be reasonable and necessary.

B. Request for Payment

Allowable payments: All service providers, including the Tulare County Sheriff’s Office, shall only submit requests for payment for work performed or services provided that have been previously authorized in writing by the 987.9 judge. The court will deny requests for payment that have not been pre-approved.

All service providers shall only submit one request for payment per month per case. *The request shall only include work performed or services provided in the immediate prior month (i.e. a request submitted in May shall only include work performed or services provided in April).* Late requests for work performed or services provided in any earlier month will be denied.

Contents of Request: Requests for payment shall state the defendant’s name and the 987.9 file number instead of the criminal case number. Requests shall contain a detailed statement showing:

- 1) the date of service;
- 2) type of service;
- 3) time spent;
- 4) costs incurred;
- 5) sub-total for each entry; and
- 6) grand total of the amount requested

The court will not approve requests for payment for normal overhead costs which include, but are not limited to, a portion of the provider’s office rent, telephone installation or monthly charges, or time spent preparing a request for payment.

Each request for payment for work performed shall contain a declaration submitted by the provider that states:

“I, _____, declare under penalty of perjury, that the work for which payment is being requested was performed as submitted to the court in this request for payment.”

If a defendant is represented by counsel, a request for payment shall contain a declaration submitted by the attorney that states:

“I, _____, declare under penalty of perjury, that the work for which payment is being requested is within the scope of work I requested.”

Receipts: Requests for payment of costs shall contain a copy of the receipt showing the cost was incurred.

Costs for photocopies shall be paid at a reasonable rate but shall not exceed 10 cents per copy.

Mileage: Mileage shall be paid at the rate of 54.5 cents unless otherwise stated in the order approving the request for funding.

The court will not approve a request for payment for miles driven or travel time spent between an investigator's/expert's office located outside of Tulare County and the Tulare County border unless pre-approved. This means that an investigator/expert whose office is located outside of Tulare County will be paid mileage and travel time only from the Tulare County border for conducting any business in Tulare County.

All providers who maintain an office outside of Tulare County and request funding for mileage or travel time shall submit a declaration with a request for payment that states:

“I, _____, declare under penalty of perjury that no time or travel expense between Tulare County and my office which is located outside of Tulare County is included in this statement.”

The court will not approve a request for payment for mileage and travel time outside of California unless it is *pre-approved or authorized in the order granting a request for funding.*

Hotel Accommodations, Meals, and Air Faire: The court will not approve a request for payment of hotel accommodations, meals, or air faire unless it complies with State of California guidelines and is *pre-approved or authorized in the order granting a request for funding.* State of California guidelines presently provide for compensation of meals as follows: \$13.00 for breakfast, \$15.00 for lunch and \$26.00 for dinner.

Expert Witness Compensation: Experts shall be compensated at a reasonable rate not to exceed \$200.00 per hour for review of court documents, consultation with attorney and/or client, laboratory work and preparation of testimony. The rate paid for courtroom testimony is \$500.00 for ½ day and \$800.00 for a full day. The rate paid for travel time is \$75.00 per hour.

Orders: All requests for payment shall contain an original separate proposed order allowing for the request plus one copy. *The proposed order shall not state the name of the defendant or the criminal case file number.*

The proposed order shall state:

- 1) the 987.9 file number;
- 2) the name, address, and social security or tax identification number of the provider; and 3) the grand total of the amount requested.

If a service provider submits additional copies of the proposed order and a self-addressed stamped envelope, Court Administration/Executive Assistant will mail a conformed copy(s) of the order to the provider.

Presentation of Request: All requests for payment, **except for requests for payment to experts in non death penalty cases**, shall be presented directly to Court Administration/Executive Assistant for the 987.9 judge. (See exhibit one attached hereto for the location of the clerk of the 987.9 judge.)

The request shall not be filed or lodged with the criminal clerks in Room 124. **Requests for payment to experts in non death penalty cases shall be presented to the judge in the pending criminal department.**

All requests shall be contained in a sealed envelope marked confidential and addressed only to the 987.9 judge.

Approval of Request: The court will only approve requests for payment that are shown to be reasonable and necessary.

STANDING ORDER AUTHORIZING
MEDICAL TREATMENT PRIOR TO
DETENTION HEARING – JUVENILE
DEPENDENCY CASES

STANDING ORDER
NO. 17 - 008

TO ALL TULARE COUNTY DEPENDENCY COUNSEL, TULARE COUNTY CHILD
WELFARE SERVICES, TULARE COUNTY SUPERIOR COURT ADMINISTRATION AND
STAFF, AND CASA OF TULARE COUNTY:

The Court finds:

Children who have been taken into temporary custody by Child Welfare Services (CWS) may have a need for medical treatment prior to the detention hearing as required by Welfare and Institution Code, Section 319;

It is necessary for Child Welfare Services to adequately assess children upon taking custody to determine if medical care is required;

In some cases there is no parent or guardian available or willing to consent to necessary medical treatment; and

Based upon these findings, the Court hereby makes the following Standing Order:

1. All children taken into temporary custody shall be assessed within 24 hours by a qualified medical practitioner for the purpose of determining whether there are any urgent medical needs;

2. If any urgent medical needs are discovered, CWS shall immediately attempt to contact the parents or guardian to inform them of the needs and to seek their consent for medical treatment;
3. If, after a reasonable attempt, the parents or guardian cannot be contacted, the court authorizes CWS to consent to any necessary medical treatment that is of an urgent nature. Urgent treatment shall be defined as treatment that cannot wait until the court detention hearing without causing the child undue pain and suffering or permanent medical disability.
4. In those instances where CWS consents to medical treatment, CWS shall make a reasonable attempt to contact the parents or guardian after the treatment to inform them of the treatment.
